To the Department of the Interior

Gentlemen

I would respectfully answer the following questions. My wife has to build, opening, and wants to put up the buildings this spring. Consist of building 1 or more cabins each and a summer kitchen and the other stuff. would it be satisfactory to you if we only build one cabin this year and still have a building on each of the 4 lots at all time. In this way would save $200 or $400 in building which would put in on breaking the sod, as there are no trees on the lots and can only use any amount I want if I only have the money. Hoping to hear from you soon.

Yours truly

I beg to inform you that John Oberhumer has under consideration, with the approval of the Department, the abandonment of his pre-emption entry for the South East Quarter of Section 31, Township 12, Range 3, West 4th Meridian, in favour of his son who is actually farming the land.

However, authority for the assignment has been granted on the understanding that Oberhumer Jr. will assume payment of the seed grain indebtedness charged against the land, that is to say, make payment of one-fourth of the indebtedness at date of filing, and the balance in three equal annual instalments subject to the usual rate of interest.

Mr. Oberhumer in an unsigned letter dated the second instant intimates that if his son is required to pay the seed grain indebtedness, which he calculates amounts to $245.00, he will be required to pay more than the land is worth. However, it would appear that the item mentioned includes the seed grain indebtedness not only of John Oberhumer but that of his wife, Mrs. Minnie Oberhumer. It is understood that Oberhumer Jr. is not required to assume his mother's indebtedness.

However, you might let us have a statement setting out specifically what amount Oberhumer Jr. will require to assume in connection with the South East Quarter of Section 31, Township 12, Range 3, West 4th Meridian, in the event of his father abandoning the land in his favour.

DEPARTMENT OF MUNICIPAL AFFAIRS

REFER TO FILE NO.
12067, 8 & 9 -19

Edmonton, June 27th, 1928.

Sir:-

Re E.½ & S.W.30 12-3-4

The above mentioned lands have been forfeited on account of arrears of taxes. The forfeiture has been standing for some years. This year an Agreement was entered into with Mr.H.J. Oberhamer of Pashley, to lease the land and to crop a certain portion of it. I am advised that an Inspector representing the Department of the Interior has notified Mr. Oberhamer that he will make seizure of all the crop growing on this land because of liens chargeable to the land for advances made by the Dominion Government some years ago.

I quite realize the right of your Department to the proceeds received from such a lease, but I would suggest that it will be an unfortunate procedure if the lessee is made to suffer through the seizure of his share of the crop on the land. The Department of Municipal Affairs, in whose care these lands are placed because of the forfeiture, is desirous of getting from the land some returns. It has been years in the hands of the Department and the season this year is favorable, therefore the lease was made. If the suggested seizure of the lessee's share of the crop is made, it will discourage and in fact actually prevent persons from leasing and using such lands in future.

I can undertake with you that all the proceeds of the crop which would be payable under the lease to this Department, will be forwarded to you on receipt of the same, to reduce the amount of indebtedness owing to the Dominion Government from these lands. This necessitates the expenditure of time and some money on the part of this Department in administration of the matter, but in order to eventually have the land freed from these debts, I will be pleased to follow the course I have suggested.

The lands have been abandoned because of their unproductive nature; it is rarely that a crop can be harvested in that vicinity. The experience of the former owners led them, after years of efforts, to abandon the land; this is a favorable year and it is hoped to have a fair return therefrom.

May I ask you to consider the suggestion I have given in this matter and to further consider instructing your Agent to withhold making the seizure along the lines that have been reported as his intention. I will be pleased to have your view of this matter at your early convenience. There may be other similar cases that I would like to be able to deal with and would indeed be pleased to know your mind on the matter as to what procedure you are willing to permit.

.....

Judging from the terms of Mr. Spence's letter dated the 17th June last, it would appear that the above described lands have been sold for taxes. It also appears that the Department of Municipal Affairs have leased these parcels on crop-sharing terms.

Both of the parcels mentioned represent separate transactions so far as the Department is concerned, that is, John Oberhamer is not liable for Minnie Oberhamer's indebtedness nor is Minnie Oberhamer liable for John Oberhamer's Seed Grain indebtedness.

It would also appear to be established that H. J. Oberhamer who has leased these lands is not John Oberhamer.

John Oberhamer's case has been referred to the Western Board for adjustment and apportionment.

There is nothing to indicate that the Inspector referred to by Mr. Spence was authorized to threaten seizure of the crop, but enquiry might be made of the Agent on this point.

Mr. Spence on part has left the proceeds of the crop parcels in his Department will be turned over to this Department to [illegible] the amount of the Seed Grain indebtedness of Mrs. Minnie Oberhamer and John Oberhamer.

I would recommend that Mr. Spence's offer be accepted and that the threat of seizure proceedings be removed.

Sir:

Further to your letter of the 27th June last I beg to advise you that it will be acceptable to this Department if the suggestion made in your letter is carried out, which states as follows:-

> "I can undertake with you that all the proceeds of the crop which would be payable under the lease to this Department, will be forwarded to you on receipt of the same, to reduce the amount of indebtedness owing to the Dominion Government from these lands. This necessitates the expenditure of time and some money on the part of this Department in administration of the matter, but in order to eventually have the land freed from these debts, I will be pleased to follow the course I have suggested."

In consequence of the decision reached action is being taken to have the threat of seizure proceedings set aside, and I might state that the Department has no evidence that seizure proceedings had been contemplated in this case, your letter conveying the first intimation to that effect. However, the necessary precautions are being taken in this regard.

Acting Commissioner of Dominion Lands.

Re N.½ & S.W.30-12-3-4th
Your file 119034.

Sir:

A communication was received from Mr. W. D. Spence, Deputy Minister of Municipal Affairs, Edmonton, intimating that an Inspector representing the Department of the Interior had notified Mr. H. J. Oberhamer of Pashley that he would make a seizure of all crops growing on this land because of Liens chargeable against the same for advances made by the Dominion Government some years ago.

There is no evidence on file indicating on what authority the Inspector stated that seizure of the crop would be made. It will be noted from a perusal of the file that the S.½-30-12-3 W.4th is security for the indebtedness of Minnie Oberhamer, and the N.E.30-12-3-W.4th is security for the indebtedness of John Oberhamer. The Department consequently has no authority under the Seed Grain Act of 1915 to make seizure of the crop of one H. J. Oberhamer for the indebtedness of the Lienees mentioned.

Cognizance should be taken of the communication of current date addressed to the Deputy Minister of Municipal Affairs at Edmonton.

Your obedient servant,

Acting Commissioner of Dominion Lands.

Sir:

With reference to your communication dated the 13th December last I beg to advise you that there is outstanding against the N.½.30-12-3-W.4th indebtedness for seed grain, fodder and relief advanced to John Oberhamer in 1915, and as on the 31st Proximo this account stands as follows:-

Principal	$472.45
Interest to 31-3-29	326.73
Total to 31-3-29	$799.18

I might state that this account is at present receiving the attention of the Adjustment Board, having been referred to them for consideration in June last.

With regard to the seed grain Lien for $168.00 incurred by Mrs. Minnie Oberhamer on the security of the S.½-30-12-3-W.4th I would advise you that discharge of this Lien was forwarded to the Registrar at Calgary on the 18th September, 1928. It would, therefore, seem that your search of title might have been made prior to that date or, if not, that the Lien might have been registered in duplicate.

It is regretted that your communication has not received earlier attention - same having been inadvertently overlooked.

Homestead entry of Alfred Howik

Date of entry October 11, 1913.

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on Form 334 on the ground of failure to apply for patent.

Form 333 and the leaflet entitled "Applications for Patent by Persons who are Debarred by Law from Securing Naturalization" should accompany your notice to the entrant on Form 334.

If the entrant files a defence or an application for patent, the same should be returned to Head Office, together with any evidence submitted by the applicant regarding naturalization or application made by him for a Certificate in Form K.

On the expiry of 60 days from the date of your notice, if the entrant has not been heard from, an Inspector's report should be ordered.

The Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements. In case of a pre-emption it will be necessary to report on the applicant's homestead as well.

The Inspector should make careful enquiry to find out whether the entrant may possibly be in military service or may be a returned soldier.

If there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way, the report should contain full particulars.

When you receive the Inspector's report you should forward it at once to Head Office for consideration.

A copy of any letter or form issued by you in this case should be forwarded to Head Office in the usual way.

On searching title to the above land it is found that there is registered a Seed Grain bond given by Hoivik in favor of the Crown, on April 4, 1918, for $87.20.

At that time he was regist red owner of the land but it has since been acquired by the Municipality under Tax Recovery Act proceedings.

Will you kindly send me a statement showing the present standing of this a count, together with any other information you may have on file that may be of assistance to me in dealing with the matter.

On referring to copy of abstract of title in connection with the quarter-section, bearing date of the 19th October, 1925, it indicates that the pioneer was still in possession of this land, subject to the registration of the Provision Liens, and it further shows in favour of the Municipal District of Bonny Butte 12 three liens for $[illegible], $[illegible] and $[illegible], registered under date of the 14th May, 1926, 8th December, 1926, and 19th December, 1927, respectively, and also a caveat lodged by that municipality under the Tax Recovery Act in 1927.

In the matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-provincial and federal advances of relief amounting to $134.20 were made to Alfred Selvik in 1922 on the security of the above-mentioned farm. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$134.20	$385.20	$519.40

The provincial authorities have advised us that these liens are not re-instated against the title to this land.

By a Cabinet directive of the 17th of May, 1938, approval was granted to discontinue negotiations for compromise settlements after the 1st of April, 1938, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The province of Alberta has agreed to cancel their share of the joint federal-provincial indebtedness.

Therefore, it is recommended that the joint-provincial and federal indebtedness listed above be cancelled without any payment.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Sir,-

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

It may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed rain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

re: Account of Louis Calvin
sec. 11-2-7-...th.

In the matter of the application for an adjustment to certain debits standing against the above-mentioned party, I am required to advise you, constituted as a Board to deal with such cases, having completed the investigation, we now are in a position to report as follows:-

Joint-provincial and federal advances of relief amounting to [illegible] were made to Louis Calvin in 1919, 1920 and 1921 on the security of [illegible] quarter-sections of land. [illegible] were collected by the province in 1927 and 1928, respectively, and applied to the principal and interest. No payment has since been received and the present standing of this account is:-

Principal	Interest	Total
$[illegible]	[illegible]	$1,138.76

The provincial authorities have advised us that there liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1930, approval has been granted to discontinue negotiations for compromise settlements after the 15th of April, 1930, and to cancel the remainder of the federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the joint federal-provincial indebtedness.

Therefore, it is recommended that the joint-provincial and federal indebtedness listed above be cancelled without any payment.

Sir,-

On the 20th ultimo Mr. Alexander Cowie was advised that, in view of his representations, it had been decided to transfer his homestead entry for the South West ¼ of Section 21, Township 14, Range 1, West of the Fourth Meridian, to the North West quarter of the same section, free of charge, and a copy of this communication was sent you for your information.

It was omitted at the time to state that this re-arrangement of his homestead entry would not affect the standing of his preemption entry for the North West quarter of the same section.

In view of the foregoing, Mr. Cowie is now the holder of homestead and preemption entries for the North half of the section mentioned, instead of the West half, as originally entered for.

Under these circumstances, the North West quarter of the section in question should not have been noted as open for homestead entry, and you will kindly take the necessary steps to rectify this error.

Further to my letter to you of the 27th of September last, I beg to advise that the Homestead Inspector reports that Mr. Millett is not in residence on the land at present, and while there has been 15 acres cultivated in the years 1913, 1914 and 1917, the breaking has gone back to sod. I might further state it has not yet been decided as to whether or not Millett's entry will be restored.

Referring to your letter of the 15th of October last enclosing Homestead Inspector Mayberry's report, I beg to say that it has been decided to confirm the cancellation of the above entry.

Therefore you may deal with the quarter section under instructions governing lands in area "A".

Millett further states that he had no knowledge of the cancellation of his homestead until he heard from this Department last Summer, and has either farmed this ¼ section himself or rented it, until this year.

When his brother died he was appointed administrator of the estate, and moved to Bowmanton, which is the reason he has not been living on the SW.-24-14-1-4.

Dear Sir;-

Re Jos. Millett;
S. .-11-14-1-4.

With further reference to your letter of the 17th August 19.., file No. [illegible], in connection with the above man, the Provincial Government have now received a report from one of their Collectors. He states that he called on Millett on the 28th inst., and he was completely hailed out this year, and no collection could be made on account of the advances for Feed & Assistance.

This Government found out that the NW.¼-17-14-4-4 was in the name of Millett, and we instructed our Agent to get from him patented Land Liens on this ¼ section to substitute for the three unpatented Land Liens which he executed on the S.-11-14-1-4. Millett has refused to sign these Liens, because, he says that the Dominion Government has not been fair to him on the matter of the SW.-11-14-1-4.

He claims that he filed on this land in 1911; built a house, 16 x 24, one story; walled in stone barn, 26 x 30; has 40 acres broken; land all fenced; well and pump; some furniture in the house, as well as some machinery on the place.

S.W.¼ 21-14-1-W.4.M.

I beg to acknowledge receipt of your letter of the 18th ultimo, in further reference to the cancellation of your purchased homestead entry for the above land and in reply to say that this action was taken because you were in default in your cultivation duties, having only fifteen acres instead of fifty and were also in default in payment, having only made the initial one of $160.00.

The balance due on account of the purchase was as follows:-

2nd instalment $64.00, and interest on same from 15-4-13 to the date of payment.
3rd instalment, $64.00 and interest on same from 15-4-14-to the date of payment.
4th instalment, $64.00 and interest on same from 15-4-15 to the date of payment.
5th instalment, $64.00 and interest on same from 15-4-16 to the date of payment.
6th instalment, $64.00 and interest on same from 15-4-17 to the date of payment.

Up to the 1st September 1919, the rate of interest will be 5% per annum. After that date, interest will be computed on all overdue instalments then remaining unpaid at 7% instead of 5%.

In view of the foregoing, it would appear that the proper action was taken by the Department.

Investigation of the title shows him to be still registered owner, and a communication on file from the Secretary Treasurer indicates that his address is unknown, - he having left the district about two years ago.

I would, therefore, request that a careful report be made in connection with this land as to whether anyone is cultivating the same in his interests, that the Department might take some action toward collection of this account.

Sir:

I am in receipt of your letter of the 17th ultimo with accompanying report of Lieutenant Inspector Bigg stating that Mr. Haafjord's whereabouts are unknown and no cultivation appears to have been done on the land for sometime.

I might say that on a search of the title having been made on the 17th of March 1926 Martin Haafjord was still registered owner.

As an entry for the N. W. quarter has been cancelled and the land is apparently at present vacant no patent will, however, issue for this quarter or re-title has been established for the N. E. quarter or re-entry [illegible] for the N. E. quarter.

Sir:-

Referring to [illegible] the 2nd inst. in connection with the land description on lien #1025, for the amount of $29.60, and given by Wm. A. Bocot, against the S.W. 10-5-6 4W, and in which you state that your collector reports that the description should read the S.E. 1-5-6 4W, I might state that Mr. Verlie Grinson has given several liens against this piece of land. Apparently the S.E. 12-5-6 4W is not the correct description of Mr. Bocot's land.

As explained to you in my letter of the 25th September last, Mr. Bocot received an advance in 1915 in connection with the N.W. 5-5-5- 4W. Kindly advise me further in this matter.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

It is hereby certified that under the Soldiers' Bounty Act 1919, authorizing a Bounty to Soldiers who served the Crown in the South African War, WILLIAM ARTHUR BRADLEY, of WINNIPEG, in the Province of MANITOBA, Legal representative of deceased, is entitled to a grant of two adjoining quarter sections of Dominion Lands, available for homestead entry, subject to the conditions specified in the said Act. The Secretary,
Department of Interior,
Ottawa, Ont.

Dear Sir,-

My brother, Lancelot Snowden, on Jan 10th, 1910, made entry for a homestead, namely the N. E. ¼ 30-4-11-W. 4th, and also made entry for pre-emption for the S. E. ¼ 30-4-11-W.4th. Another brother, George Henry Snowden, filed on the same day, his South African Warrant, taking up the S. E. ¼ -30-4-11 W. 4th; whilst I filed by proxy the N. E. ¼ 30-4-11-W.4th, for my Father, George Snowden of Yorkshire, Eng.

Now, Sir, my father and family are coming out to this country, and whilst we are anxious to comply with every specification of the Homestead Act, I would feel very much obliged if the Department would instruct me as to whether the very strict letter of the homestead law must be adhered to as regards buildings and residence duties.

To put the matter briefly, my Father and family have not been accustomed to living in a small house, and it would be of considerable advantage to them, if instead of having to put up three or four small houses, as may be required by my literal interpretation of the act, if they could put up one large house, at a cost of say $2000.00, in which they would all reside, and which would be considered by the Homestead Inspector instead of in the separate buildings which seem to be required under the conditions laid down in the pamphlet issued by the Dominion Land Office.

I would be glad if you would recommend your Department to grant my request. Our people expect to commence breaking the land immediately, and as there are several girls in the family we cannot do with a small house any way.

Awaiting the favor of an early reply, I am, dear Sir,

Yours respectfully,
(Sgd.) Jos. Snowden

Ottawa, 15th February, 1915.

I beg to acknowledge the receipt of your letter of the 25th ultimo, with enclosure, and in reply to say that according to the information contained therein you are not at present in a position to apply for patent for your pre-emption, above described, inasmuch as the entry is not in good standing as regards residence and you are apparently unprepared to pay in full when making application.

I would refer you to page 25 under "Pre-emption patent without completing three years", of the summary of regulations already supplied you.

It is not probable the Department will take any steps to disturb your entry for the present, unless an application for inspection is filed subsequent to the 1st of April next, in which event you will be duly notified and allowed the usual sixty days within which to show cause why your entry should not be cancelled.

4th October, 1913.

Sir,

I beg to inform you that a local Land Inspector has recently reported in reference to the manner in which you are complying with the regulations respecting your entries for the West half of Section 23, Township 4, Range 11, West 4th Meridian, against which entries cancellation proceedings are outstanding.

In this connection I am to inform you that the Inspector reports that from the information received from settlers in that vicinity it would appear that you have performed no residence duties in connection with this land which could be counted to your credit since the month of November, 1912. This statement does not agree with information furnished by you in a defence of the cancellation proceedings outstanding against your entry in which you stated that in 1913, you had been in residence from January 14th, until September 1st, and in 1914, from January [illegible], till April [illegible] also during the month of July.

The Inspector also reports that he was informed that you had rented your land on crop payment since 1913. Please furnish the Department with an explanation as to the different statements regarding the residence duties performed, also set forth whether you have rented this land, and if so, give full particulars as to the terms and duration of the period for which the same has been rented.

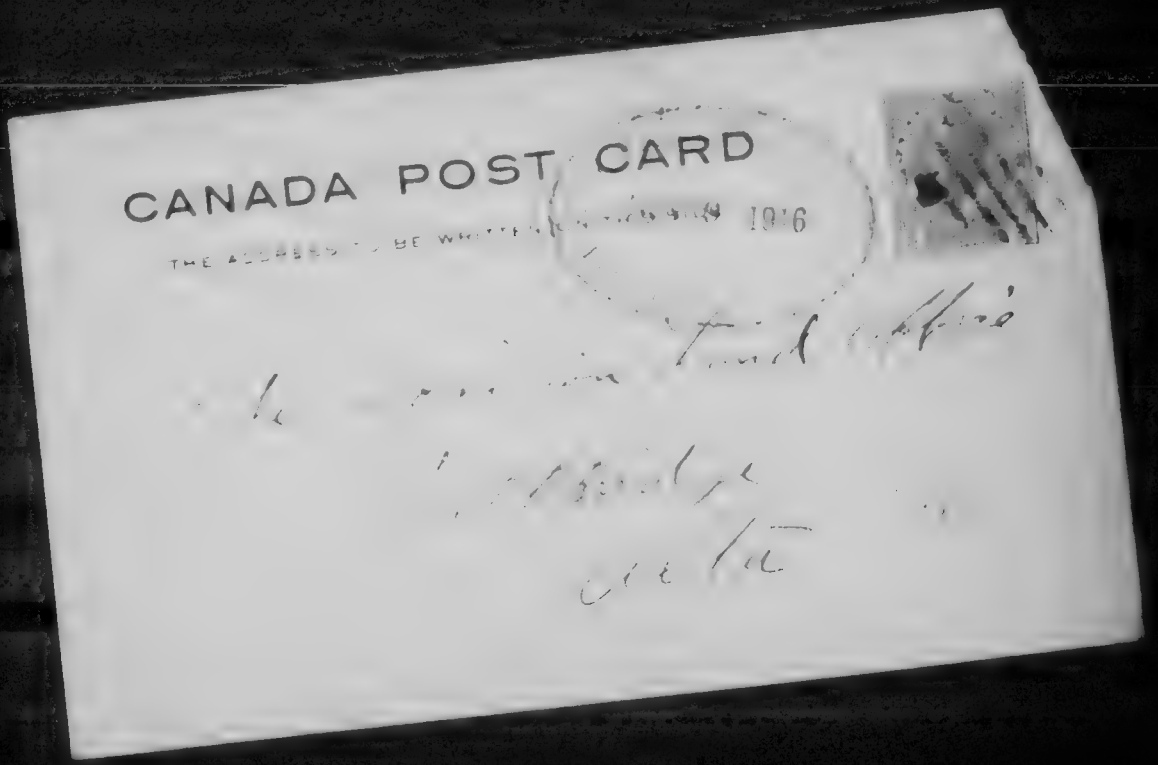

Please note that unless you are heard from within thirty days from this date it might be found necessary to carry out cancellation of your entry.

Re Ritchie Irwin,
S.W.28-4-11 W.4.Pre-emption.
N.W.28-4-11 W.4.Hstd.Pat.11/7/13.

MEMORANDUM

Mr. Ferrin.

Under the legislation authorizing the apportionment and adjustment of Seed Grain, Fodder and Relief indebtedness, the Adjustment Board of Alberta has submitted its report dated the 23rd February, immediately hereunder.

The indebtedness in this case consists of advances as follows:-

PROVINCIAL-FEDERAL.

Year.	Principal.	Amt.due 31/12/27.
1920	$584.75	$888.45

The Board represents that the lands are situate in a very dry area, and that the prior claims, including the unpaid balance due on the unpatented pre-emption, represent considerably more than the value of the said land, and that there is, therefore, no security for the liens in same. The applicant for adjustment is the debtor.

It is recommended that the total indebtedness of Ritchie Irwin, which includes Provincial seed grain on which there is due $1148.71, be compromised at $1,000, by payment of $300.00 in cash and two annual payments of $350.00 or or before the 31st December, 1929, and 31st December, 1930. Of the cash payment, the amount to be credited to relief would be $125.00, and of the two latter payments, which will total $700, the share to relief would be $291.66.

Provided the payments were made as above outlined, the loss to the Dominion Government would be, approximately, $235.40, 50% of the balance outstanding according to the above figures, which would be $471.79.

Kindly advise if this method of payment is acceptable, and if it will be in order to prepare the usual Memorandum to Council.

Dear Sir:

Re: Ritchie Irwin, NW¼ 28-4-11 W.4th M.
SW¼ 28-4-11 W.4th M.
Seed Grain and Relief.
& H. D. Burlington #34.

An application for an adjustment of Seed Grain and Relief indebtedness has been made by the above, whose account is as follows:-

Seed Grain	principal	$686.47	
"	Interest 31/12/27	462.30	$1148.77
Relief	principal	$564.75	
"	Interest 31/12/27	303.70	$ 868.45

Irwin has farmed in the dry area for the past eighteen years. He states for some years he practically threshed no grain and purchased seed. He is married, and has a young family of four. In the fall of 1927 he had a better crop and made a payment of $125.13 to the Municipality, and paid a few outstanding accounts.

The NW¼ 28-4-11 W.4 is registered in Irwin's name. Our lien for $515.00 holds priority but a mechanic's lien is prior to the balance of our security. The SW¼ 28-4-11 W.4 is in the name of the Crown, and the liens securing this account are duly registered in anticipation of him taking title, but there are five hundred dollars, owing by Irwin on this pre-emption, which considerably reduces the security as this land is of not much value.

The Manufacturers Life Association had a Mortgage on the NW¼ 28-4-11 W.4 for $1400.00 but this has been compromised for the sum of $250.00 and duly discharged.

The Municipal District have concurred in an arrangement of taking $1000.00 in full settlement by cash $300.00, the balance to be paid in equal payments in the fall of 1929 and 1930.

I would recommend, therefore, that the cheque for $300.00 hereto attached, and the balance of $700.00 be carried over and paid $350.00 in 1929, and the balance in 1930, and that upon payment of these sums the unpaid balance be written off, as far as it affects both this man's indebtedness to the Municipal District, and also the indebtedness of the Municipal District to the Province of Alberta.

Re Mitchie Irwin - N.W.¼ 28-4-11-4.
and S.W.¼ 28-4-11-4 / Board Order No.632.

The Seed Grain & Relief Adjustment Board hereby recommends that the liens, seed grain and joint relief, registered against the W.½ 28-4-11-4 for advances made to Mitchie Irwin be compromised for the sum of $1000.00, and that upon payment of this amount by the debtor the said liens be discharged and any balances remaining unpaid be written off.

The Board further recommends that the said compromise payment of $1000.00 be accepted as follows:

By the payment of $300.00 in cash.
By the payment of $350.00 on or before Dec. 31. 1929.
and by payment of $350.00 on or before Dec. 31. 1930.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated December 2, 1928, in support of this recommendation and states:

1. That the lands are situate in a very dry area.

2. That the prior claims including the unpaid balance due by the debtor on his unpatented pre-emption represent considerably more than the value of the said land, and that there is, therefore, no security for the liens in the said land.

3. That the debtor has made a satisfactory settlement with his other creditors, and that the acceptance of the proposed adjustment will enable him to re-establish himself.

4. That, taking into consideration the conditions prevailing in the District where this land is situated, the proposed settlement is fair and reasonable and should be accepted.

The Board therefore recommends that the liens be compromised at the sum of $1000.00; that if and when paid the said sum of $1000.00 be apportioned pro rata to seed grain and relief, and that on payment of one-half the amount apportioned to relief, the said liens be discharged and the balance remaining unpaid be written off, and the debtor relieved from any further liability in connection therewith.

Re: Account of Irwin Mitchie
T.A. 18-4-11-4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party, is referred to you, constituted as a board to deal with such cases. Having completed an investigation, we now in a position to report as follows:-

Joint-provincial and federal advances of relief amounting to [illegible].75 were made to Irwin Mitchie in 1919, 1920, 1921 and 1922 on the security of the above-mentioned land. A payment of [illegible].94 was collected by the Province in 1948 and applied to the principal. No further payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
[illegible]378.81	$1,441.39	$1,820.20

The Provincial authorities have advised us that those liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the joint federal-provincial indebtedness.

Therefore, it is recommended that the joint-provincial and federal indebtedness listed above be cancelled without any payment.

RECORD

As per statement attached.

In 1911 the Lienee obtained 21 bushels of oats to sow upon the S.E.-22; and in his application in 1915 he stated he had 40 acres under cultivation on the S.½-22, for which he obtained 36 bushels of wheat and 21 bushels of oats.

No record.

HISTORY

S.E.-22-4-11-W.4th M.

This was the Lienee's homestead, entry to which was issued in his name on the 7th October, 1913, subject to the 1910 and 1911 Liens. There is no evidence on file as to the date of registration of the 1915 Liens.

S.½-22-4-11-W.4th M.

This was the Lienee's pre-emption, entry to which was cancelled on the 7th October, 1927, and on the 29th April last John Macdonald of Alorum, Alta., obtained entry for this land as a homestead, agreeing to assume the outstanding indebtedness with a proviso for an adjustment. A report obtained in 1927 described the soil on this quarter as chocolate loam, clay subsoil, all fit for cultivation, no improvements.

S.E.-32-4-10-W.4th M.

The Lienee obtained entry for this land as a second homestead on the 20th March last, and this quarter would, therefore, also constitute security for the outstanding indebtedness. There was also indebtedness against this land as having been incurred by the former entrant, Nick Pauley, at in Board Order No. 2439 dated the 11th March last, Ref. T-1-68, it was recommended that the Liens be unconditionally discharged, and Memorandum to Council to this effect has now been prepared. A report obtained in 1929 described the soil on this quarter as chocolate, clay

I would recommend that the sale price be distributed on a pro-rata basis between the following claims:

Dominion liens	$1,131.30
Joint Relief	2,128.46
Taxes	1,040.19
	$4,299.95

This will result in a distribution as follows:

Costs	$	5.00
Dominion liens		156.54 ✓
Joint Relief		294.53 ✓
Taxes		143.93
	$	600.00

I would further recommend that when the sums allotted to the various accounts have been duly applied thereto all liens taken as security be released from title to the S. E. 22-4-11-4.

It is not possible to finally dispose of this account as it transpires that Adolph F. Gerke, believed to be the recipient of the Dominion Advances, holds title to the S. E. 32-4-10-4, and that the Dominion liens are registered thereon.

Yours very truly,

CHIEF COLLECTOR.

Dear Sir:

Re: S. E. 22-4-11-West 4th Meridian.
Dominion and Joint Relief Liens.
Adolph F. Gerke.

The above land is held as security for advances made by the Dominion Government to Adolph Gerke under which there was due as at 30th of June, 1944, a sum of one thousand one hundred and thirty-one dollars and thirty cents ($1,131.30).

Joint Relief Advances through the Municipal District of Burlington No. 34 were also obtained on the security of this property and there was due in this respect a sum of two thousand one hundred and twenty-eight dollars and forty-six cents ($2,128.46).

The Municipal District of Burlington took title to this land under Tax Recovery proceedings and in 1941 entered into an agreement for sale for six hundred dollars ($600.00) and final payment was recently received by the district.

At the date of sale there were taxes outstanding in an amount of one thousand and forty dollars and nineteen cents ($1,040.19), and, as it is evident the claims against the land are far in excess of the sale value, the district requests a compromise settlement in order that clear title may be given to the purchaser.

Re: Account of Adolph F. Gerke
S.E.¼ 32-4-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1911, 1912, 1914 and 1915 seed grain, fodder and relief amounting to $483.40 were advanced to Adolph F. Gerke on the security of the S.E.¼ 22-4-11-W.4th and later became a charge against the S.E.¼ 32-4-10-W.4th. Payments of $36.83 and $156.54 were received in 1915 and 1944, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. 81/8550 dated the 8th of November, 1944, the S.E.¼ 22-4-11-W.4th was released as security for the liens on the payment of $156.54 and the balance of the indebtedness retained as a charge against the S.E.¼ 32-4-10-W.4th. The present standing of this account is:-

Principal	Interest	Total
$413.85	$804.69	$1,218.54

The S.E.¼ 32-4-10-W.4th was the second homestead entry of the debtor for which he secured entry on the 20th of March, 1930 and later obtained patent, with the liens becoming registered against the land.

This quarter-section is of low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. It is situated in a dry part of the Province where farming has not been carried on with any great success.

In reply to our questionnaire of the 8th of May, 1951, Mr. J. M. McCabe, Secretary-Treasurer, Municipal District of Burlington No. 2, Foremost, Alberta, advised us that this quarter-section was now assessed in the name of a Mr. Peter Brittner of Foremost, Alberta, and that the land had a present day value of only $71[illegible].00.

The information obtained indicates that the land is such that it no longer offers any security of value for the liens. Under the circumstances, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1941, 1942, 1944 and 1945 seed grain, fodder and relief amounting to $[illegible] were advanced to Adolph P. The S.E.¼ 32-4-10-W.4th was the second homestead entry of the settler for which he secured entry in the 28th of March, 1941 and later obtained patent, with the liens becoming registered against the land.

This quarter-section is of low assessed value and has never had revenue producing sufficiently to enable the repayment of the liens. It is situated in a district of the Province where farming has not been carried on with any great success.

In reply to our questionnaire of the 4th of May, last, Mr. J. M. The information at hand indicates that the land is such that it no longer offers the security of value for the liens. Under the circumstances, it is recommended that the balance of the settler's debt be written off as uncollectable.

Re: account of Adolph Fred Gerke,
S.E.¼ 36-4-10-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Adolph Fred Gerke received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,218.54 of which $413.85 is principal and $804.69 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Re: S.E.¼ 32-4-10-W.4th

This Department has an old account against the above noted land for advances of seed grain, fodder and relief to A. F. Berke in 1915. We are anxious to bring our records up to date and if possible to settle these long outstanding accounts. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of Adolph Fred Gerke
S.E.¼ 32-4-16-W.3rd

In a letter dated the 8th of February, 1956 you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain, fodder and relief which were advanced to Mr. Adolph Fred Gerke by the Federal Government in the year 1915. The amount outstanding is $1,218.54 of which $[illegible].89 is principal and $304.69 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. Re S.E. ¼ 32-4-1 w 4th

Dear Sir.

In reply to your letter of Oct. 30/06 Reguarding Indebtedness on the above Mentioned land. I do feel that the ~~land~~ debt is much to high. As compared to the Valuation of the land. As there is approximately 15 acres of land in waste land and land unusable for farming. Which was not Considered in the Assessment of said land. Also our Municipal Taxes are very high. There is no Improvements on the land or any Improved road.

Therefor I would like to have the Debt reconsidered. Owing to Marketing Conditions I am quite unable to make any settlement at the present time. But will try and get it settled in the near future.

Hoping this is satisfactory

Dear Sir:

Re: S.E. 32-4-10-W.4th

We wish to thank you for your letter of the 15th of November, 1956, informing us of the extenuating circumstances which you believe warrant a reduction in the account of A. F. Gerke for seed grain, fodder and relief which is charged against the above land.

You have stated that you are not able to pay this debt at the present time but hope to do so as soon as marketing conditions improve. We believe that the Seed Grain Advisory Board will give sympathetic consideration to your case and will be willing to grant you a reduction.

In order to assist you in clearing your title, if you will remit the sum of $206.93 representing one half of the principal amount within a reasonable time, it will be recommended to the Board that this sum be accepted in full settlement of our claim. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Re: Account of Adolph F. Gerke
S.E.¼ 32-4-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1911, 1912 and 1915 seed grain, fodder and relief amounting to $485.40 were advanced to Adolph F. Gerke on the security of the S.E.¼ 32-4-11-W.4th and later became a charge against the S.E.¼ 32-4-10-W.4th. Payments of $36.83 and $156.54 were received in 1915 and 1944, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. 81/8550 dated the 8th of November, 1944, the S.E.¼ 32-4-11-W.4th was released as security for the liens on the payment of $156.54 and the balance of the indebtedness retained as a charge against the S.E.¼ 32-4-10-W.4th. The present standing of this account is:-

Principal	Interest	Total
$413.85	$866.76	$1,280.61

On the 15th of November, 1956, Mr. Carl Gerke, Box 62, Foremost, Alberta, wrote to us as follows:-

> "In reply to your letter of Oct. 30/56 regarding indebtedness on the above mentioned land. I do feel that the debt is much too high as compared to the valuation of the land. The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that all liens, Municipal and Joint Relief, registered against the S. 1, 23-4-12-W. 4th Mer., for advances made to Geo. Struthers, be discharged, when the Mortgagees submit satisfactory evidence showing that they have completed foreclosure proceedings and are the registered owners of said land.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated July 18th, 1929, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That prior to the advances being made the debtor mortgaged the said land to the Manufacturers Life Insurance Company.

2. That the Mortgagees have started foreclosure proceedings and have carried their action to Vesting Order, but have not yet secured final title to the said land.

3. That when the foreclosure proceedings are completed all liens registered against the said land will be eliminated and all security will be lost.

4. That the debtor abandoned the land in the year 192.., and all trace of him has been lost, so there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that when the Manufacturers Life Insurance Company submit satisfactory evidence showing that they have become the registered owners

Sir,-

S.E. ¼ of Sec. 23 Tp. 4 Rge. 12 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re: Account of George Struthers
S.E. 23-24-12-W.4th.

The letter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A joint-Provincial and Federal advance of relief amounting to $110.00 was made to George Struthers in 1920 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$110.00	$30.56	$140.56

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1930, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1931, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Dear Sir:

Re: Mfrs. Life -vs- Ignatz Goetz.
Our File 42802 GC3C.

On the 2nd of December last we paid to the Dominion Lands Agent at Lethbridge the sum of $180.50, being the amount of fodder and relief indebtedness of Ignatz Goetz registered against the W½-22-3-10-W4th.

On the 9th of January, 1919 you wrote to the Registrar, instructing him to remove all registrations effecting the above land.

There are still registered against this property the following Seed Grain Bonds, $25, $68.25 and $85.15

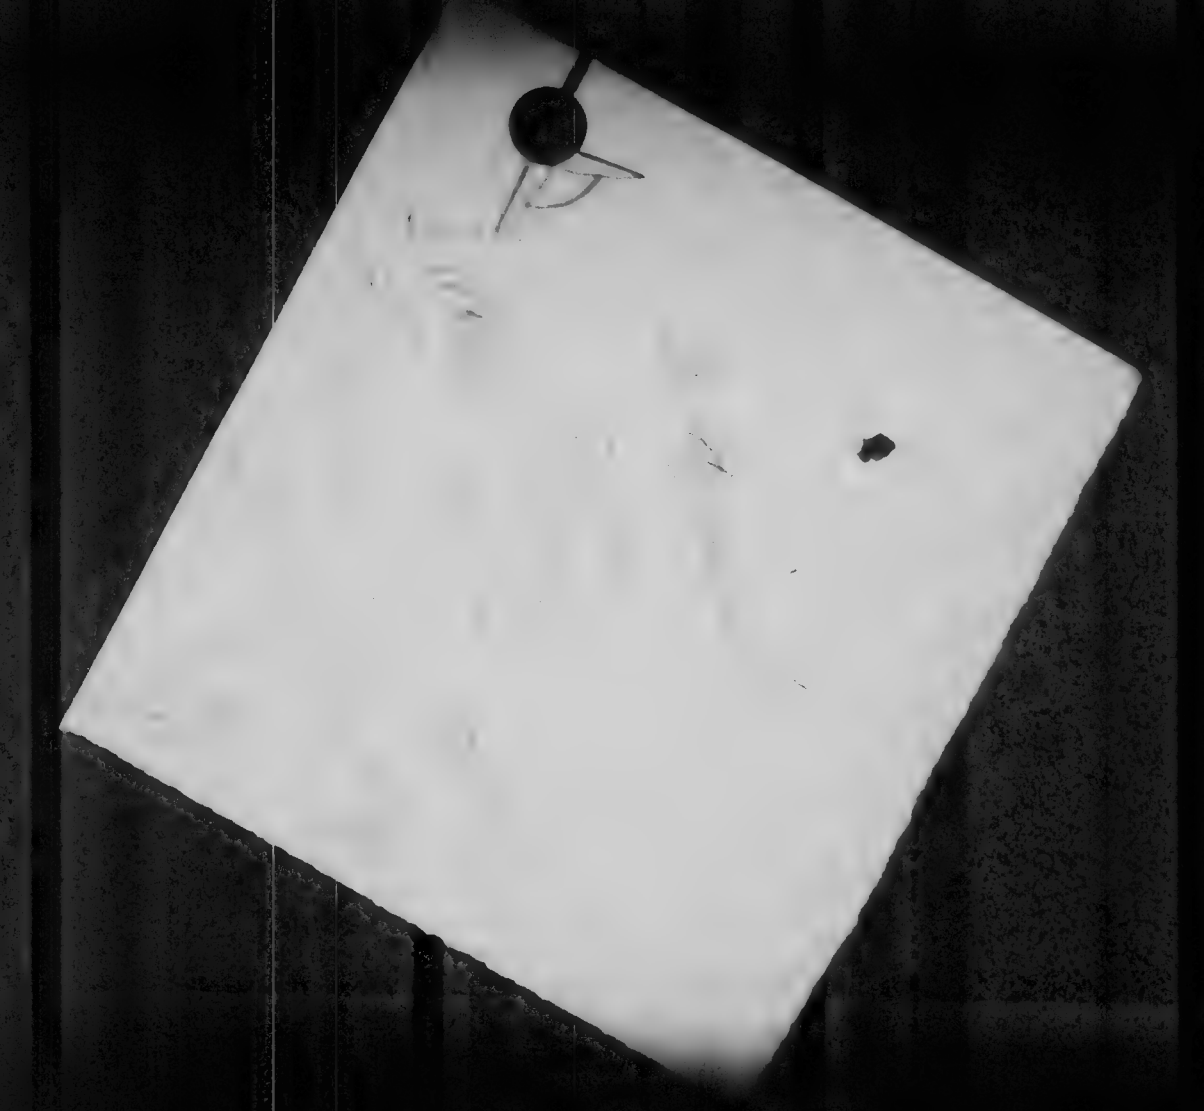

It appears to be a fairly clear case of duplicate registration and we would be pleased if you would take the necessary steps to have this title cleared.

Yours truly,

...e-...t.; SE-4-10-7. 4th M.
Pre-emption-Ignota Beets.
Date of entry-5th May, 1911.

The records show that you sent a statement of the settlement duties completed in connection with the above pre-emption to the Agent of Dominion Lands at Lethbridge, on behalf of the entrant, whose address at that time was New Ireland, Alta.

The statement referred to showed the completion of the necessary settlement duties, and the entrant stated at that time to lack sufficient funds to enable him to appear before the Agent of Dominion Lands for the purpose of making formal application for the issue of Letters Patent.

Cancellation proceedings are now being taken against the entry because of the entrant's failure to make a successful application for patent within the time allowed by the Dominion Lands Act. The Department has tried unsuccessfully to get into communication with Mr. Beets. The Dominion Inspector detailed to investigate the case, [illegible], reported that Mr. Beets was not to be found at his last.

If aware of Mr. Beets' present address, would you kindly inform the Department thereof, so that he may be allowed an opportunity of stating whether he desires to secure the issue of Patent for the Pre-emption.

Assistant Secretary.

Re: S.E. 23-1-11-W.4

Dear Sir:

I have your letter of the 16th of April, 1956, with which you enclosed a letter from the Provincial Department of Lands and Forests referring to the loss of your homestead the above noted quarter-section.

When patent issued in your name on the 22nd of May, 1914 the Federal Government had no further interest or control over your homestead the S.E. 23-1-11-W.4. If you were unable to meet tax payments due to municipal authorities during the ensuing years there would be no other recourse then to foreclose and take title. When the Federal Government transferred all unpatented land in the Province of Alberta to the Provincial Government in 1930 the Federal Government no longer granted homesteads. Any relief or assistance you may now obtain in this regard would have to come from the Department of Lands and Forests in the Province of Alberta.

I regret that we can be of no assistance to you in this matter. I am returning herewith, a copy of the letter you received from the Provincial Government.

Yours very truly,

C. K. LeBaudin,
Chief, Lands Division.

In connection with a general check of all old entries, it is observed that no recent report has been received from a Homestead Inspector in connection with this case.

If you have not recently received such a report, kindly have a Homestead Inspector when in the vicinity of this land on collection work furnish a report which should be complete in every detail and of such a nature that the Department will be in a position to decide whether this entry should be cancelled, or whether an extension of time should be allowed within which to pay the purchase price.

It is expected that the usual effort will be made by the Inspector to collect, where conditions warrant, at least a substantial payment on account.

Mr. Perrin,

Pre-emption - Charles H. Reynar
Entry granted - 6th October, 1910.

Cancellation proceedings were instituted on the 3rd of May, 1927, for default in improvements. In the defence filed the entrant claimed continuous residence between the homestead and pre-emption and the S. ½ of Section 5, (partly); 100 acres of breaking on the homestead and other substantial improvements. He claimed that on account of lack of means he was unable to discharge his indebtedness.

Patent applied for and Certificate of Recommendation issued which expired on the18th of February, 1921, renewed to the 15th of December, of that year,and again to the 1st of November, 1922. That document attached to file.

An Inspector on the 15th ultimo reported that the only improvements consist of 1 mile of wire fencing in poor repair worth $30.00. The entrant has left the district.

Amount owing to the 1st of November last $803.30.

I would suggest summary cancellation and the land posted in the usual way.

Cancellation proceedings were [illegible] tember in April, 1911, and are still pending.

It appears that the homesteader has been away from the land since October, 1911, and has already received protection until last November.

Since cancellation proceedings are pending I do not see how we could get any more time just now. He wants to go into residence next Winter, but promises to have 25 acres broken this summer. And if he does so you may wish to grant him a further extension until the 1st of November next. But he has certainly no claim to any further consideration after the 1st of November next.

Respectfully submitted.

OTTAWA. 11th June, 1920.

[illegible]:

Mr. Ryan,-

Re N.½ 1-3-11, W.4th M.
Pre-emption - W. J. Rogers.
Date of entry 24th January, 1912.

Letters-patent for the appurtenant homestead were issued, bearing date the 5th October, 1917. The evidence submitted in support of the application for patent for the homestead showed the completion of residence duties in each of three years only, and the completion of cultivation duties in each of five years. There is no evidence on file to show that any residence and cultivation have been performed since the date of the application for patent for the homestead.

Cancellation proceedings were instituted against the pre-emption entry on behalf of the Department on the 24th September, 1920, because of the entrant's failure to apply for patent within eight years from the date of entry.

The entrant was informed that if he had the required cultivation duties completed he might secure the issue of patent for the land by paying an additional $3.00 per acre.

Mr. Rogers has not furnished the Department with a statement of the duties performed since his application for patent was [illegible] dated since the 24th ult., [illegible].

Kindly advise further the letter addressed to Mr. Rogers on the 31st April, 1920, may be cancelled & [illegible] entrant and the Agent authorized to cancel the pre-emption entry.

The [illegible] is returned herewith.

As his entry to the N.W.¼ has been cancelled, I would suggest that this once be listed for investigation this season so that the account may be finally disposed of, if possible. Re: Account of John Nye
No. 1-3-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $55.00 was made to John Nye in 1920, on the security of the above-mentioned land. A payment of $25.00 was collected by the Province in 1928 and applied to the principal. The present standing of this account is:-

Principal	Interest	Total
-	$30.80	$30.80

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

A. H. Comstock
Deputy Mineral Surveyor
Union, Oregon

Dear Sir,

I beg to enclose declaration which my friend Senator Mitchell sent me and asked me to have it filled in and forward to you. I will now kindly let me know if I can reside on my homestead and do my mining and work my claim and obtain patent for same or whether I must reside on the claim. My claim is a quartz mine and is situated in section two and as it is a long ways from section two and as it is a long ways from section two and as it is a long ways from

1st May, 1911.

Dear Sir,

I am in receipt of your letter of the 6th instant, enclosing declaration with regard to your homestead and pre-emption entries for the [illegible] of [illegible] Meridian.

In reply I beg to say that if you wish to perform your residence on the land now held by you under pre-emption entry it will be necessary for you to earn title to your homestead, but the patent for your homestead could not issue until you earned title to your pre-emption. However, if you wish to abandon your pre-emption entry and earn title to your homestead by performing the residence duties in connection therewith, you can do so, and if you make your application by affirming that you have resided on the homestead three years, and have performed the necessary cultivation duties, I will recommend that your application be granted.

In the event of your having the entries interchanged the Department could not give you credit for residence performed in the year 1911 on the land now pre-empted, as it could then be considered that you had abandoned your pre-emption. However, if you wish to have the entries interchanged you might do so, and then the residence performed by you in 1911 might be credited to you in earning title to your pre-emption. - which would mean that you would have only two further terms of residence to perform before completing the residence duties in connection with your pre-emption.

If you wish to have these entries interchanged and make formal application to that effect you will be fully advised as to what further duties you will be required to perform in order to earn title to both of these quarter sections.

Yours very truly,

Deputy Minister.

MEMORANDUM:

Mr. Hume,-

Re N.E.¼ 1-3-10, W.4th M.
Pre-emption - W. P. Rogers.
Date of entry 16th January, 1910.

Letters-patent for the appurtenant homestead were issued, bearing date the 5th October, 1917. The evidence submitted in support of the application for patent for the homestead showed the completion of residence duties in each of three years only, and the completion of cultivation duties in each of five years. There is no evidence on file to show that any residence and cultivation have been performed since the date of the application for patent for the homestead.

Cancellation proceedings were instituted against the pre-emption entry on behalf of the Department on the 14th September, 1920, because of the entrant's failure to apply for patent within eight years from the date of entry.

The entrant was informed that if he had the required cultivation duties completed he might secure the issue of patent for the land by paying an additional $3.00 per acre.

Mr. Rogers has not furnished the Department with a statement of the duties completed since his application for patent and has not been heard from directly since the 25th June, 1921.

Kindly advise whether the letter addressed to Mr. Rogers on the 21st April, 1922, may be considered a final thirty days' notice to the entrant and the Agent authorized to cancel the pre-emption entry.

This quarter-section is situated in area "A".

DO NOT WRITE ABOUT MORE THAN ONE SUBJECT IN THE SAME LETTER. WRITE LEGIBLY YOUR FULL NAME AND ADDRESS.

Sir:

The Annual Statements addressed to this man at Rokville, Alta., for the past three years have been returned by the Postal Authorities undelivered.

According to Abstract of Title dated the 21st ultimo title to the N.W.¼ is still held by the original Lienor, and the Liens in question are properly registered.

As his entry to the N.E.¼ has been cancelled, I would suggest that this case be listed for investigation this season so that the account may be finally disposed of, if possible. It would be well to report if the land is being cultivated, if so, by whom, and other information which may be of assistance in collecting. The amount outstanding is $170.42 - interest calculated to the 31st March last.

Re: N.½ 1-3-10-W4th Mer.
Account - William P. Rogers.

The annual statements addressed to this man at Eckville, Alberta, for the past three years have been returned by the Postal Authorities undelivered.

According to Abstract of Title dated the 31st ultimo, title to the North West quarter is still held by the original Lienor, and the Liens in question are properly registered.

As his entry to the North East quarter has been cancelled, it is desired that you investigate this case this season so that the account may be finally disposed of, if possible. It would be well to set forth in your report if the land is being cultivated, if so, by whom, and other information which may be of assistance in collecting. The amount outstanding is $170.42 - interest calculated to the 31st March last.

Your obedient servant,

E. F. Layton.
Acting Agent.

Dear Sir:-

re Frank Taylor,
R.M.S. 1-3-10-W. 4th Mer.,
Joint Relief.

This man secured an advance from the Provincial Government but was unable to give any land security owing to the fact that he was only renting the above property at the time he received assistance. He did, however, execute a chattel mortgage on five head of horses. The account appears as hereunder:-

Relief.

Lien No. 6375, April 5th, 1931. ..... $61.50
Int. to March 31st, 1931. ..... 36.65

The records of this man's operations show that he has farmed off and on in the vicinity of Lucky Strike for the past nine years, during which time he has not succeeded in threshing a single crop which might be termed a paying one. He was unfortunate enough to miss the 1927 crop which was a fairly good year, as during that season he was working out to provide himself with the necessary finances to continue his farming operations.

According to reports on file the debtor has experienced considerable sickness both in his own behalf and in as far as the members of his family are concerned, and his existence since the receipt of this advance has almost been one of hand to mouth.

The horses given as chattel security are now so aged as to be of very little value and there does not seem to be the least possibility of realizing any re-payment.

I therefore recommend that this account be written off on compassionate grounds.

Yours truly,

DIRECTOR.

H./M.G.

The Tax Consolidation Board, hereby recommends that any liens charged against the [illegible], 1-3-10- , 4th Mer., for advances made to [illegible] Taylor, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor's interest in said land was that of a tenant only and he did not have the authority of the registered owner to charge any liens against the said land.

2. That as security for the said advances the debtor gave a chattel mortgage on certain livestock but nothing was realized from such security.

3. That although the debtor is still residing in the district, he has no property from which collection can be made under his personal covenant, and is experiencing considerable difficulty in maintaining his family and it is desirable that the liens be discharged on compassionate grounds.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible, also that the debtor be discharged from any further liability under his personal covenant.

Sir,

I beg to acknowledge the receipt of a declaration made by Mr. John Doenz, setting forth that he has not sold his pre-emption the South West ¼ of Section 10, Township 2, Range 10, West 4th Meridian, to Mr. Dixon, also an application for patent for the pre-emption on Form (No.1[illegible]), showing employment as a farm laborer on the N.E.¼ of 10-4-10-West of the 4th Meridian, and I am to point out that as only five years' residence duties have been performed and the Inspector in his report of the 1st ultimo states that there are only thirty-five acres broken on the pre-emption, it will be necessary for the Homesteader to increase the breaking on the pre-emption to fifty acres and also have a habitable house on the pre-emption, in view of the fact that he has sold his homestead. It will be necessary for Mr. Doenz to furnish you with an Abstract of Title setting forth the date when he disposed of his free homestead.

I also enclose form (No.5[illegible]), showing the residence performed by Mr. Doenz on his homestead and also that claimed as a farm laborer on the S.W.¼-16-4-10-W.-4th-Meridian, and it should be pointed out to Mr. Doenz that the only time that he can count to advantage as residence on the S.W.¼ of 16-4-10-W.-4th-Meridian, is from the 20th of February, 1917, to the date of the Order-in-Council.

MEMORANDUM:

Mr. Hume,

Re. S.½ of 3-3-11, W. 4th M. Pre-emption.
Application of Mr. Elisha Russell,
Date of entry, 18th January, 1910.

Mr. Russell obtained patent for his homestead the N.E.¼ of 3-3-11, west 4th Meridian, on the 8th October, 913.

Cancellation proceedings were instituted against the pre-emption on the 6th of October, 1920, for failure to apply for patent.

Homestead Inspector Wile x in a report of the [illegible]7th of April, 19[illegible], stated that Mr. Russell had been in residence from the Spring of 9[illegible]0 to October, 1919, and that he had 87 acres broken on the homestead and 87 acres cropped, the land cropped in each year since 1914.

In view of this report Mr. Russell was advised to make application for patent on several occasions since May, 1921 but up to the present time no word has been received from him.

Taxes in arrears since January, 1918.

There is a communication from Mr. F.B. Hughson Lethbridge, Alberta, dated the 24th of March, stating that he would like to apply to lease this place for grazing purposes as he understands that Mr. Russell does not intend to hold this land as at the present time he is residing at Moosomin, Sask.

Please say, if the homesteader should be given final thirty days notice to make application also stating his intentions in regard to completing payments.

This was the Lienee's homestead patented in 1913, and an abstract of Title drawn under date of December 20th, 1923, shows the same as still standing in his name, but the Liens covering the indebtedness as shown above are not registered. Messrs. MacDonald and Tighe, Barristers and Solicitors of Edmonton instituted foreclosure proceedings against this land in November 1923, and it is very probable that title has since vested to the mortgagee.

S.W. 12-1-14-W4 1.

This was the Lienee's pre-emption abandoned by him on December 20th, 1923. One John Hausen writing under date of November 20th last advised that he was intending to file on this quarter, but found out at the Land Office at Lethbridge that there was more indebtedness against the land than it was worth as there was only about 80 acres that could be broken.

Dear Sir,

I beg to enclose herewith a statement showing the amount due in connection with indebtedness incurred by C. R. Hale, on the security of his pre-emption, the S½-12-1-14-W.4th, since cancelled and at present vacant.

The address of Mr. Hale is not known here, but no doubt the Provincial Authorities have knowledge of his present whereabouts in view of the advances made by them to him under the 50% arrangement with this Department.

Mr. John Hausen, is desirous of obtaining entry for this quarter-section, but declines to assume payment of the full amount outstanding, which was incurred by the former entrant.

Accordingly, this Department desires to have established the amount which would be an equitable charge for a new entrant to assume, and I would be pleased if you would have the matter considered by your Board and let me have their report.

Yours sincerely,

According to valuations secured from reliable sources, the property is unimproved with the exception of a fence worth $15. for which the new entrant paid when filing, this payment having since been applied by the Department of the Interior to the seed grain account. There is a gravel ridge ten to fifteen rods wide running North to South over the length of the property.

The remaining acreage is partly covered with boulders, stones and is somewhat rolling. It is situated ten miles from Coutts and is considered less valuable than most land in that district.

Nevertheless, Hauser is agreeable to paying $500. for the seed grain and relief indebtedness against the land.

He has already paid to me $150. and I enclose my cheques, one in favor of the Department of the Interior for $36. and one in favor of the Department of Municipal Affairs for $114., these amounts being his proportionate shares of this payment alloted to the Dominion seed grain advance and to the Provincial relief advances upon a pro rata division.

I recommend that Hauser be called upon by the Department of the Interior to pay the balance of $[illegible] in the manner provided in his agreement to assume the liability, and that the payments when made be divided pro rata between the balances outstanding in respect of the Dominion seed grain advance and of the Provincial relief advances.

According to a search of title to S.E. 12-1-14-4, the debtor's homestead, the present registered owner is Credit Foncier Franco Canadien, in whom it vested on January 22, 1924. There are no Dominion or Provincial liens registered on title to this property so that it affords no security for any of the advances.

I, therefore, recommend that the balances which will remain outstanding after receipt of the payments to be made by Hauser be written off by both Governments.

Dear Sir:

Dominion and Provincial Liens
Re: Clarence Raymond Hale
S. W. 12-1-14-W.4th.

In 1920 Clarence Raymond Hale obtained a seed grain advance of $187.50 from the Department of the Interior, in respect of which he owed as at July 30th 1928 the sum of $216.79.

He is also indebted, as hereunder shown in respect of the following advances from the Province of Alberta.

Seed Grain

Interest to August 31,1928	69.19	197.69

Realization by distraint on chattels	111.80	
Balance Principal	427.50	
Interest to August 31, 1928	[illegible]	[illegible]

The only security for these advances is the above described land, which was the debtor's pre-emption, his entry on which has been cancelled.

On July 3[illegible], 1[illegible]2[illegible] John Hauser, of Coutts, Alberta filed homestead entry for this quarter section and agreed to assume liability for the former entrant's seed grain and relief indebtedness subject to adjustment.

7. That the entrant John Hauser, be given time with which to pay the balance of $350.00, and that no interest be charged thereon, provided that he makes payment promptly at the date in accordance with the terms of the Agreement made with him.

The Board therefore recommends that when the present entrant John Hauser completed payment of the sum of $500.00, that all liens now registered against the said quarter section be discharged, and that any balances remaining unpaid be written off as uncollectible.

B. C. No. 716.

EDMONTON,

April 30th, 1929.

Re S.W. ¼, 12-1-14-W. 4th Mer.,
Clarence Raymond Hale.

The Seed Grain and Relief Adjustment Board, appointed under P. C. 2200, hereby recommends that the liens Dominion, Provincial and Joint Relief, registered against the S.W. ¼, 12-1-14-W. 4th Mer., for advances made to Clarence Raymond Hale, be apportioned at the sum of $500.00, and that upon the present entrant for the land making such payment, all liens be discharged, and any balances remaining unpaid thereon be written off as uncollectible.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated February 20th, 1929, and states in support of the recommendation:-

1. That this quarter section was the debtor's pre-emption, entry to which has been cancelled.

2. That in the year 1928 John Hauser, secured homestead entry to this land and agreed to assume the liability charged against same subject to adjustment.

3. That the land is situate in a very dry District, but has some value as agricultural land.

4. That taking into consideration the work which will be required of the present entrant, the sum of $500.00 is a fair amount for him to assume for the liabilities of the former entrant, and that such payment, with the work required by him, will mean that he will pay the full value of the land.

5. That it is desirable that the present entrant be given time in which to make his payments, and that as such payments are made they be applied pro rata on all the liens now registered against the land.

6. That the initial payment of $150.00, be applied to Dominion Liens $36.00, to Provincial and Joint Relief Liens $114.00, and that credit be given accordingly.

.....

grain indebtedness assessed by a new Extent of Interest and I think it would be advisable to have the matter dealt on a sound business basis.

Two distinct points are therefore involved, namely,-

1. The question of the Board's powers to do more than advise, with particular reference in the present circumstances to the matter of payment of interest after adjustment, and

2. Simplification of the procedure with regard to interest charges after adjustment.

I would however call your attention to a ruling given by the Assistant Commissioner on file No. 30/1/8 herewith in a similar case where the Board recommended that interest be waived. In the case in question, Mr. Fitzsimons ruled as follows:-

Cannot locate file at present

"This is a 50-6) indebtedness and the
"recommendation of the Adjustment Board
"should be accepted."

With the utmost respect, I submit that this ruling is illegal at present and places the Department in a position where some day the Administration may be severely criticised.

C.F.E.

P.S. I might add one word more. It is bad practice to waive interest as there is then no incentive on the part of the debtor to meet his liability, besides which it is contrary to ordinary business methods.

The Department of Justice a good many years ago ruled that neither the Minister nor council had any authority to waive a debt due the Crown. This could be waived only by Parliament by an act or resolution.

Section 86 of the Dominion Lands Act provides that any money due the Crown in connection with interests of the Crown disposed of under that act shall be six per cent per annum and seven per cent when the amount is overdue. The Seed Grain Act of 1927 authorizes the Governor in Council to discharge, in whole or in part, any monies due His Majesty.

Where the discharge is only partial the amount remaining is a debt due to His Majesty and from then on comes under the provisions of Section 86 and must bear interest. The Seed Grain Board have no authority to rule that the money found due under their apportionment shall not bear interest.

54144-29

A letter from the Acting Commissioner of Dominion Lands, Department of the Interior, to the Chairman of the Board, dated July 3rd, 1929, was then presented to the Board. This correspondence deals with cases where the Board recommends a definite sum to be apportioned to a parcel of land, upon the request of an applicant, and where the payment of the sum so apportioned is spread over a period of time. The Acting Commissioner specifically quoted File D-McT-H-18, where the Board recommends that the liens against the SW 18-1-14-4 be adjusted to the sum of $500.00, without interest, payable by the entrant on this property in the following manner: $150.00 cash and the balance of $350.00 payable in accordance with the terms of the agreement made with him when filing entry on the property.

It was pointed out by the Commissioner that the question of interest had been considered, and it has been ruled that the Governor-in-Council has no power to waive the charging of interest upon the balance in cases such as this.

The Board expressed the opinion that the distribution of the amount as between principal and interest of a sum so apportioned to a parcel of property should be taken care of by the Accounting Department at Ottawa, and decided that the best method of dealing with these Board Orders would be to recommend that the total sum apportioned to a piece of land should represent payment in full of the lien chargeable against this property, including both principal and interest.

In reference to your letter of ~~the~~ 22nd ultimo, calling attention to the fact that no reply has been made to your letter of July 3rd, I beg to inform you that this has been held up pending the issuing of an amended Board Order to cover this case.

The whole matter was dealt with at a recent meeting of the Seed Grain and Relief Adjustment Board, and, for your information, I am attaching hereto an excerpt of the Minutes covering that meeting, which, I think, will clearly outline the views of the Board in this connection.

MEMORANDUM:

In a memorandum dated the 12th September, I raised the question as to the action to be taken when the Seed Grain and Relief Adjustment Board recommended that a sum be paid by the debtor and that if paid in instalments that no interest be charged.

I drew attention to the fact that on the 3rd July, you wrote Mr. Fream in regard to this matter and asked him whether his Board desired to change its recommendation in a certain case in which it had been suggested that interest charges be waived. Memo marked. At the time this memorandum was prepared a report from the Board dated the 6th September last had not been placed on the file. Attachment 3414429 on File 2055013 marked.

The pith of the matter is contained in the last paragraph of a memo attached to Mr. Hewlett's letter dated the 6th ultimo, which reads as follows:-

"The Board expressed the opinion that the "distribution of the amount as between principal "and interest of a sum so apportioned to a parcel "of property should be taken care of by the Accounting "Department at Ottawa, and decided that the best "method of dealing with these Board Orders would be to

Dear Sir:-

Re - [illegible]-12-1-14-[illegible].4th-Ker.

Referring to B. C. 716, on the 17th of August last, regarding the indebtedness of Clarence Raymond Vale, and to Mr. Newlett's communication of the 6th ultimo, with attached excerpt of the Minutes of a meeting of the Board outlining their views in connection with the matter referred to in my communication of the 3rd of July, I beg to advise that the recommendation of the Board that "when the present entrant John Hauser, completes payment of the sum of $500.00, all liens now registered against the said quarter-section be discharged, and that any balances remaining unpaid be written off as uncollectible" does not help us very much, in view of the ruling given us that we cannot waive interest on time or overdue payments. It would be of great assistance if you could see your way clear to adopt the suggestion made in my letter to you of the 3rd of July, and recommend accordingly.

Thanking you in anticipation.

Yours sincerely,

The Board therefore recommends that the present entrant John Hauser be granted an extension of time of [illegible] of $210.00, that all liens and registrations against the said quarter section be discharged, and that the balance remaining unpaid be waived off as uncollectible.

hile I am entirely in agreement with
the [illegible] of the procedure of the Board in its
principle, I am, however, of the opinion that this would
be an opportune time to anticipate that cases where
payments will not be made on the due date, and I do not
think that the Board will have any objection to the
charging of seven per cent. on all overdue payments.
I recover as a great many of those cases involve joint
indebtedness in which collection is made by the Province.
I think that this point should be settled as soon as
possible in order that a uniform procedure might be
established.

re Interest charges in connection
with Soldiers' Settlements.

In this connection kindly be referred to my memorandum addressed to you under date of the 5th ultimo and to yours of the 16th idem, which received the approval of the Deputy Minister, to the effect that the Department would be well advised to accede to the procedure adopted by the Adjustment Board of Alberta in cases where adjustments are made of the deferred payment plan with the interest charges up to the date being taken care of by the adjustment.

While I hesitate to again submit this question, may I be permitted to direct attention to the fact that the Adjustment Board has apparently not taken into consideration the very great possibility that those deferred payments will not be made at the due date; and in this connection may I again refer to the three suggestions made in the last page of my memorandum above referred to, which read as follows:-

1. If the settler fails to pay on the dates prescribed in the adjustment, is the indebtedness to run indefinitely without bearing interest?

2. Would the Board be satisfied if its recommendation is accepted by the Department on the understanding that the settler should make the payments on the dates prescribed, and that if he fails to do so he would be required to pay interest at seven per cent. on any payments so allowed to become overdue?

3. Does the Board intend to apply the same rule in all future cases and, if not, what suggestions has it to offer in view of the disparity of treatment which will sooner or later become apparent?

I note that it is your desire to arrange an adjustment, and, if possible avoid refunding the monies paid, which Paul Mish claims to have advanced to John Hauser. Re: Board Order No. 716,

Board Order 716 recommended that the new entrant on the D.L.S. 1-1-14- .4th, John Hauser, be required to pay the sum of $50.00 as a condition for a licence of the Dominion and Provincial Relief charges held against this land. The sum of $150.00 was paid in cash, the balance of $250.00 was to be paid in deferred payments. Your Department received the sum of Dec.00. The Provincial Government received $114.00 which was credited to the credit of the S.H. Sale Indebtedness and $0 of the $114.00 was forwarded to your Department.

Later, John Hauser's entry was cancelled and [illegible] entry was issued. Wish's entry was made subsequent to the transfer of the Natural Resources to the Province of Alberta. Under date of February 5th, 1941, I wrote your Department and requested that the $50.00 payment forwarded to your Department be transferred to the credit of [illegible] Wish, who had already paid the charges held against the land, and was [illegible] requested to do so.

might be contemplated by this Department should as a matter of course be made to the Director, who would not for a moment entertain the idea of refunding John Hauser any monies as in his opinion Paul Mish is the one entitled to such refund if any might be made. He therefore requests that the Department consent to the transfer of the payment of $36.00 from suspense account to the credit of Hale indebtedness.

The Secretary has I think succeeded in conveying the evidently intended impression that the Alberta Board is of a fixed mind in regard to the question of refunds of this nature and are determined in their attitude of definitely applying payments as made. Accept in so far as the desirability of uniformity of procedure in both Provinces is concerned the matter is not of great importance, and while we may continue to regard the Saskatchewan procedure as the more equitable nevertheless as the responsibility for the administering of unpatented lands and payments made in connection therewith now rests in a large measure with the Province, I would suggest that the point in question be gracefully waived and that in the case of Paul Mish action be taken to transfer the sum of $36.00, now held in suspense, to the definite credit of the C. H. Hale indebtedness with advice to Mr. Newlett.

D. L. Hogan.

opinion in regard to procedure in cases of this nature as it was thought that the Saskatchewan method was the more equitable in view of the fact that when refunds were prohibited there might be instances where a third entrant would obtain the land free of charge and thus benefit to the detriment of his less fortunate predecessor.

I would now direct attention to the communication immediately hereunder from the Secretary of the Seed Grain and Relief Adjustment Board wherein he advises that it is the opinion of the Board that the question of a refund in an instance such as was outlined would appear to be purely and simply a departmental business, and that where monies were held in suspense in cases of this nature a refund may be made at the discretion of the Minister. He also pointed out that the Alberta Board in cases parallel to this one when fixing the amount to be paid by the new entrant definitely recommends that the money be applied and the liens be immediately discharged, and states in support that upon entry being made against which there are outstanding advances the entrant applies for an adjustment of the total amount which he has assumed, the application for adjustment is referred to the Board and a definite sum recommended as a consideration for which the land is relieved of any further liability in respect of the liens. It is, therefore, the opinion of the Board that the definite allotment of this share of the indebtedness to the land becomes also a charge under the personal covenant of the entrant owing to the fact that he has already assumed the total liability. His paying the allotted sum is therefore held by the Board to indicate that the settlement is accepted and that therefore he could not expect a refund of his payment.

Re S.W. 12-1-14-W. 4th M.

Mr. Hewlett in his communication of May 18th attached to file 2055013 deals with practically a parallel case situated in Alberta, wherein the first entrant C. R. Hale had incurred both Federal and Joint indebtedness, and the Adjustment Board had recommended that the new entrant, John Hauser, be required to pay the sum of $500.00 for discharge of the total indebtedness. The sum of $150.00 to be paid in cash and the balance of $350.00 in deferred payments, the total $500.00 to be prorated between the Federal and the Joint indebtedness. The sum of $150.00 was paid in cash, and this Department received the sum of $36.00 to apply on the Dominion liens and the balance of $114.00 was applied to the joint indebtedness and 50% thereof was also remitted here.

John Hauser's entry was cancelled and Paul Mish obtained entry through the Provincial authorities after the return of the Resources. On February 5th, 1931, Mr. Hewlett wrote this Department and requested that the $36.00 paid to John Hauser's indebtedness be transferred to the credit of Paul Mish, who had assumed the charges held against the land. On February 19th he was advised that this transfer could not be made without the written consent of John Hauser. Mr. Hewlett in his communication of the 18th ultimo proceeds to state that Mr. Hauser is not entitled to a refund of any monies paid on account of this indebtedness as he did not at any time actually pay the same. The payment of $150.00 had been made by Paul Mish on his behalf to the Director of the Debt Adjustment Act, and any refund that

MEMORANDUM:

Mr. Dunn.

Re the Assuming of indebtedness of a former entrant by a second entrant.
Sample Cases.

Simon A. Diebolt.N.W. 25-1-16-W. 3rd M.
Paul Mish. S.W.¼ 12-1-14-W. 4th M.

In connection with the N.W.¼ 25-1-16-W. 3rd M., one Simon A. Diebolt, the former entrant, was indebted to the Department for advances of fodder and relief. This entry was cancelled and in May 1928 W. A. MacKenzie made entry assuming the outstanding indebtedness subject to an adjustment, and paying the sum of $85.00 to the credit thereof. This payment was held in suspense account.

The Adjustment Board of Saskatchewan in their report dated October 30th last recommended that the sum of $85.00 be established as a charge against this land. Mr. MacKenzie subsequently abandoned and in February last requested a refund of his payment.

In submitting the case for a refund it was pointed out in my memorandum of March 1st last that in cases of this nature the Adjustment Board of Alberta had taken a stand that when they recommended the allotment of a certain sum to an unpatented quarter a portion or all of which is paid by the new entrant, such payment should be finally claimed, which action precludes the possiblity of a refund should he abandon his entry or be cancelled. On the other hand the Adjustment Board of Saskatchewan in recommending an allotment to an unpatented quarter qualify their recommendation by the words if an when patent issue to the present entrant, thus allowing the possibility of a refund if he abandon or be cancelled.

Kindly see the Deputy Minister's memorandum of April 21st wherein he approved of the refund of $85.00 to Mr. MacKenzie, but suggested the possibility of communicating with Mr. Norquay at Edmonton, so that in future the same action might be taken in both Provinces.

On April 25th Mr. Norquay was written to and an outline of Mr. MacKenzie's case was given him with the suggestion that he kindly make representations to the Adjustment Board of Alberta for an expression of their

opinion

The Alberta Board thinks the $36.00 paid by Hauser should be transferred to the credit of Mish. This is not in line with the practice of the Department in the past, as the money would be regarded as belonging to Hauser. Apparently, however, the Board has special knowledge of the circumstances under which Mish advanced money on Hauser's behalf.

While I do not think that the money should be formally placed to Mish's credit, the same result can be obtained, as Mr. Hogan suggests, by applying the $36.00 in reduction of the amount charged against the land. In this way Mish gets the benefit of Hauser's payment. The point of difference between the two Provincial Boards is, as nearly as I can ascertain, this:-

Where an entry is cancelled and a new entry obtained, if the Board submits an adjustment recommending the discharge of the liens upon payment of a definite sum, the Alberta Board wants that sum applied at once, whereas, in Saskatchewan, application of the payment is not made until we see whether the new entrant gets patent. On the one hand there is no doubt an element of injustice in taking a man's money and applying it immediately, thus preventing him from getting anything back if he should afterward lose the land. On the other hand, as pointed out by the Alberta Board, if we keep on from year to year carrying these payments in suspense, with the possibility of a fresh adjustment every time a new entry is obtained, the matter will never get settled. To that extent there is considerable weight in the view of the Alberta Board.

As regards the question of obtaining like action in both provinces, this appears to be out of the question. The attitude of the Alberta Board, I understand, has always been somewhat more favourable to the new entrant. The adjustments are, to some extent at least, more advantageous to the party securing the land.

The question arises whether the Department should bring the Saskatchewan practice into line with what has obtained in Alberta, for the sake of uniformity. It does not seem likely that there will be very many cases coming up, and you may consider it preferable to deal with each case as it arises on its merits. If any criticism were forthcoming because of the different practice obtaining in Alberta, the attitude of the Alberta Board would no doubt furnish the necessary justification for action taken.

Chairman,
Dominion Lands Board.

Memorandum.

Ottawa, 13th June, 1932.

Mr. Hogan's memorandum underneath outlines the facts in two seed grain cases.

(A) Case of Simon A. Diebolt (Saskatchewan):

This man secured a considerable advance and his entry was afterwards cancelled. One MacKenzie then took the land and assumed Diebolt's debt, subject to an adjustment. Mr. MacKenzie paid $85.00 on account, and the Saskatchewan Board recommended that this payment be regarded as sufficient. MacKenzie in turn abandoned and asked for a refund of the $85.00. This refund has been made in accordance with your memorandum of the 21st April last, and the Diebolt case is closed.

You suggested that it would be advisable to write Messrs. Reid and Norquay so that the practice in Saskatchewan and Alberta should be uniform. The matter has been taken up with the Alberta Board without success. As stated in Mr. Hogan's memorandum, the Alberta Board maintains its attitude that in a case of this kind, after adjustment any payment made by the new entrant should be applied on the account, thus precluding any possible refund in future. In Saskatchewan, on the other hand, the attitude of the Adjustment Board has been such that the Department has been able to hold in suspense the money so paid, and refund it if the circumstances warrant.

(B) Case of Paul Mish (Alberta):

The Alberta Board brings up a similar case in which one Hale had incurred a considerable debt. The Adjustment Board recommended that the new entrant (Hauser) be required to pay $500.00. Hauser paid $150.00, which was allocated between the Dominion and provincial liens, the share of the Dominion being $36.00. Hauser in turn was cancelled, and one Mish now has the land.

Re The Assuming of indebtedness of a former entrant by a subsequent one.
Sample Case.

Simon A. Diebolt. N.W. 25-1-16-W. 3rd M.
Your Ref. 460125 C.D.

Simon A. Diebolt the first entrnat was indebted to the Department for advances of fodder and relief. His entry was cancelled, and in May 1928 one E. A. MacKenzie made entry assuming the outstanding indebtedness subject to an adjustment, and paying the sum of $85.00 to the credit thereof. This payment was held in suspense account. The Adjustment Board of Saskatchewan in their report dated October 30th last, recommended that the sum of $85.00 be established as a charge against this land if an when patent issued to the present entrant thus allowing the possibility of a refund should he abandon or be cancelled. Mr. MacKenzie did subsequently abandon in February last and a refund was made.

At that time it was pointed out that the procedure of the Alberta and Saskatchewan Boards was not uniform in regard to this question as the attitude of the Alberta is, that any payment made by a new entrant after adjustment should be immediately and definitely applied to the credit of the account, thus precluding the possibility of a refund should he abandon or be cancelled. It was, therefore, thought advisable to place the matter before the Alberta Board, and they were written to on April 25th last as per copy of communication attached. I am also enclosing a copy of their's in reply dated May 12th, from which you will note the reasons set forth for their policy which they evidently desire to maintain.

MEMORANDUM:

Would you kindly see my memorandum of the 13th instant, the second paragraph page two, concerning the transfer of a certain payment of $36.00 to the credit of the seed grain indebtedness outstanding against the S.W.¼ 12-1-14-W. 4th M.

Mr. Hogan in his memorandum of the 17th June, page two, sets forth in detail the facts pertinent to the case. The Secretary of the Seed Grain and Relief Adjustment Board is pressing for a decision, see his communication of June 6th on file 2055013, herewith.

As this would appear to have been a family arrangement, and as the action suggested has been recommended by the Adjustment Board, I presume that the responsibility rests with them and would recommend that the necessary action be taken to transfer the payment of $36.00 from suspense account and apply it to the credit of the Male indebtedness.

LAND REGISTRY

Memo re Kimbolt.
H. of 28-1-16-[illegible] 3rd Mo

In June last the matter of the diversity or [illegible] practice of the Saskatchewan and Alberta Boards in cases where an entry had ceased the outstanding indebtedness of a former holder and made payments to the credit thereof, was taken up in memoranda dated June 12th and it was pointed out that the Alberta Board was determined to maintain its attitude that in cases of this nature after the entry any payment made by the new entrant should be finally and definitely applied to the account, thus preventing any possible refund to the payer should his entry be cancelled or should he abandon. In Saskatchewan on the other hand the attitude of the Adjustment Board has been such that the Department could hold in suspense the money so paid and refund it if the circumstances so warranted.

The Deputy Minister in his memorandum of June 12th requested that the views of Mr. J. H. Reid of the Saskatchewan Board be obtained and also those of the Financial Controller. The question was planned before Mr. Reid by this office examination of June 27th last, wherein he was requested to advise whether his Board was prepared, for the sake of uniformity, to adopt the practice followed in Alberta.

The Departmental Solicitor in his memorandum of July 18th on file hereunder expresses the opinion that the fact that the Adjustment Board of Saskatchewan and that of Alberta take different views on how the money shall be applied does not affect the question, and so long as the Department conforms to the recommendation of these Boards its legal position cannot be questioned.

The Financial Controller in his memorandum of August 11th, on file hereunder, states that all refunds in connection with dead grain indebtedness

may

may continue to be made from current collections and do not require an Order in Council.

Mr. J. L. said in his communication of August 9th, immediately hereunder, advises that the Canada Shipping Board are of the opinion that the policy adopted by them is the more fair and equitable one.

It would, therefore, appear that the Alberta and Canada Steamship Boards are not of the one mind on this question, nor does it appear possible to obtain the desired uniformity of procedure, and as the Department is freed from any possible criticism by conforming with the recommendations of the Boards in each particular case I would suggest that the matter be allowed to rest.

RE: Account of Clarence Raymond Hale
S.W. ¼ 12-1-14-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $137.50 was advanced to Clarence Raymond Hale on the security of the above mentioned land. Payments of $15.00, $36.00, and $21.10 were received in 1928, 1929 and 1932, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. No. 302/108 dated the 16th of January, 1930, the sum of $95.89 was written off as a loss and the balance of the indebtedness has since remained as a charge against the S.W. ¼ 12-1-14-W.4th. The present standing of this account is:-

Principal	Interest	Total
$62.90	$115.28	$178.18

The S.W. ¼ 12-1-14-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 28th of December, 1923.

According to an Abstract of Title dated the 17th of February, 1956, this quarter section of land now stands in the name of a Mrs. Anna Misch of Coutts, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Pocahontas, Jasper Park, Alta., Jan. 25,1913.

Sir,

Having arrived in Canada 3 years ago, I at once took a homestead in the Lethbridge District, on the 10th of January, 1910, but about 3 months afterwards I was recalled to France on family affairs. Having returned in the course of the last year I hastened to send my papers to the Land Office at Lethbridge, believing that I had the right to take another homestead, but I am forced to believe that I was not in the right for I have received no reply. I, therefore, appeal to your good will, which I hope you will show in my favour as the father of a family, to give me the right to take a homestead again.

Having to be favoured by you as a French fellow-countryman, I remain in expectation of your reply which I hope will be good and that you will give me the right to become a Canadian settler.

Very sincerely,

sum of $237.91 with an additional charge for costs amounting to $17.85, and have requested an adjustment of the seed grain and relief liens in order that they may be in a position to proceed with the sale.

In view of the circumstances, I would recommend that the Department be authorised to proceed with the sale to H.H. Foster for the sum offered, and since the sale is insufficient to satisfy the Crown Claims, that after first deducting the costs the balance be distributed on a pro rata basis between the following:-

Taxes	$121.20	
Provincial seed	481.93	
Joint Relief	509.65	$1112.78

which will result in an apportionment of the total sale price as follows:-

Costs	$ 17.85	
Taxes	41.62	
Provincial seed	165.50	
Joint Relief	175.03	$400.00

It will be noted that the sale is on terms and I would, therefore, recommend that if, and when, the sums apportioned to the seed grain and relief liens have been duly applied thereto, all these encumbrances be removed from title to the N.W.17-7-8-4.

The debtor is reported to be now residing at Prelate, Saskatchewan, and I am unable to make any recommendation in respect of the write off until full investigation has been made in regard to this party making further payment under his personal covenant.

This offer would appear to be somewhat small though the land is situated in a very dry district, but since Mr. Foster has so much money already sunk in the property, and in addition has supplied seed for several years, it is felt that a sale to him for the sum he offers is fair and equitable. The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2700, hereby recommends that the liens, Provincial Seed Grain and Joint Relief, charged against the N.W.¼, 17-7-8-W. 4th Mer., for advances made to L. Weitrich, be settled for the sum of $340.53, and that upon payment of this amount, out of the proceeds from the sale of said land that the liens be discharged from the land only.

The Board submits the report of the Acting Director, Department of the Debt Adjustment Act, dated 19th September, 1939, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That prior to the advances being made the debtor mortgaged the said land to H. H. Foster.

2. That the Mortgagee did not protect his interest in the said land and that title thereto passed to the Department of Municipal Affairs, under Tax Recovery Proceedings.

3. That if the first Mortgagee had foreclosed upon his security all liens would have been eliminated therefrom.

4. That the first Mortgagee H. H. Foster has offered to purchase the said land for the sum of $400.00, payable upon terms, and having in view the conditions relating thereto it is desirable that the said offer be accepted.

Dear Sir:-

Re L. Heitrich,
N.W.¼, 17-7-8-W. 4th Mer.,
B.O. 2000, Your Ref. 2055115.

I have for acknowledgment your letter of May 22nd, 1930, with reference to B. O. No. 2000, and in which you request that you be informed as to when your Department may expect its share of the sum apportioned to the credit of the Joint Relief Claim, by the above Board Order.

Please be advised that the above described land was sold for the sum of $400.00, on the following terms, cash $80.00, the balance in three equal annual instalments payable on October 10th, in each of the years 1930, 1931, and 1932.

Of the cash payment the sum of $17.85, was applied to the liquidation of the costs of acquisition and of sale, and the balance $62.15, was remitted to the Seed Grain and Relief Branch for the credit of the Joint Relief Claim as was recommended in the above Board Order. Because of a clerical error due to the fact that the purchaser had paid an additional sum of money in connection with his purchase of another parcel of land, this sum of $62.15, was applied to the credit of a Seed Grain Claim in connection with this other parcel referred to.

By Jourcal Entry No. 294, May 31st, 1930, the sum of $62.15, has been acredited to the Joint Relief indebtedness of L. Heitrich, and the N.W.¼, 17-7-8-W. 4th Mer., and your 50% balance of this payment will go forward to your Department in the June cheque, representing May collections, 1930.

Yours truly,

Secretary.

Dear Sir:

re - Old Joint Relief -
Your File 7115.

I am to acknowledge receipt of your letter of the 17th instant with enclosed cheque in the sum of £90.11 for Improvement Interest representing 5% of collections made in the above connection for the month of August 1941, for which amount Income Tax Recovery Official Receipt No. 9778.

As regards your claim, the amount payable is £180.23, while the remuneration at the agreed rate of 10% would be £18.02 leaving a balance due to the Joint Relief Fund of £162.21 in the aforesaid connection.

In dealing with the Joint Relief account of [illegible], [illegible] 17-7-8 [illegible] 4th, we refer to our records as follows.

Amount originally paid - Joint Relief		£175.23.
Paid - 1-1-39	-	25.13

I assume the amount of £60.33 should be credited to the Provincial Pool Levy, and 5% of same, namely £3.75, is available for refund.

I have to thank you for your letter of the 27th ultimo in which you call attention to the distribution of payments in connection with Board Order 2000.

It is evident my accounting staff incorrectly applied the payment of $223.08 in placing this sum entirely to the credit of Joint Relief, whereas a portion of it should have been applied to the Provincial Seed Grain account. I would therefore appreciate your refund cheque made payable to the Department of Municipal Affairs and addressed for my attention. Thanking you, I am,

Re: Account of Lenus Meitrion
S.E. 4-17-7-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint- provincial and federal advances of relief amounting to $308.95 were made to Lenus Meitrion in 1926 and 1931 on the security of the above-mentioned land. Payments of $62.15, $22.40, $32.90 and $57.92 were collected by the Province in 1929, 1930, 1935 and 1941, respectively, and applied to the principal and interest. No payment has since been received and the present standing of this account is:-

Principal	Interest	Total
$218.47	$87.63	$306.10

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the joint federal-provincial indebtedness.

Therefore, it is recommended that the joint-provincial and federal indebtedness listed above be cancelled without any payment.

Re: Account of Halfden E. Ostby,
N.W. 34-1-14-W4.

Dear Sir:

During the years 1915 and 1920 while homesteading the above mentioned land, Mr. Halfden E. Ostby received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,130.69 of which $366.10 is principal and $764.59 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

N.W.¼ 32-1-14-W.4th

In a letter dated the 2nd of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain and fodder which were advanced to Mr. Halfden E. Ostby by the Federal Government in the years 1915 and 1920. The amount outstanding is $1,130.69 of which $366.10 is principal and $764.59 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C. K. LeCapelain,
Chief,
Mining and Lands Division.

Re: Account of Halfden E. Ostby
W½ 32-1-14-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1920 seed grain, fodder and relief amounting to $397.25 were advanced to Halfden E. Ostby on the security of the above-mentioned land. A payment of $50.00 was received in 1920 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$366.10	$855.78	$1,221.88

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

F. W. Stinson.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above mentioned, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or patented homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Your Ref. 143143.

I am in receipt of your communication dated 14th inst. enclosing one to you from A. J. Hines, Etzikom, Alta., the present owner of the above described land.

It is noted that you requested Homestead Inspector McCowan to visit this land and report under date of July 24th last and if the report agrees with the statements as made by Mr. Hines it would not seem advisable to press for payment this fall and collection will have to remain in abeyance until next year.

Re: Account of Jas. F. Hurlbut,
S.E.¼ 28-6-9-W4.

Dear Sir:

During the years 1914 and 1915 while homesteading the above mentioned land, Mr. Jas. F. Hurlbut received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $443.52 of which $146.30 is principal and $297.22 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,

Dear Sir: Re: Account of Jas. F. Hurlbut
S.E.¼ 28-6-9-W.4th

In a letter dated the 28th of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain, fodder and relief which were advanced to Mr. Jas. F. Hurlbut by the Federal Government in the years 1914 and 1915. The amount outstanding is $443.52 of which $146.30 is principal and $297.22 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

RECOMMEND by the Seed Grain Advisory Board

REMARKS The Dominion indebtedness to be cancelled without any payment and the liens discharged.

Order-in-Council P .C. Dated

NANR 52-26

File: 2060546

Ottawa, 17 October, 1960.

Mr. O. J. Harris,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of James Frederick Hurlbut
S.E.¼ 28-6-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1914 and 1915 seed grain, fodder and relief amounting to $170.20 were advanced to James Frederick Hurlbut on the security of the above-mentioned land. A payment of $25.85 was received in 1915 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$146.30	$329.86	$476.16

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

F. W. Stinson.

Ottawa, 17 October, 1960.

Re: Account of James Frederick Marlbut
S.A. 28-6-9-W.4th

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the Federal indebtedness, which is more particularly described in the attached report, be cancelled without any payment and the liens discharged.

O. J. Harris,
Dominion Member.

Re: Account of Joseph A. Welch
E.½ 33-6-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 and 1920 seed grain amounting to $96.25 was advanced to Joseph A. Welch on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 96.25	$ 224.90	$ 321.15

The S.E. & N.E. 33-6-8-W4 were formerly the homestead and pre-emption entries of the debtor whose entries were cancelled on the 2nd of August 1923, and the land is still unalienated Crown Land held in the right of the Province.

The land is described as rolling and stoney and only fit for grazing purposes.

This half section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

[illegible] 33-6-3-[illegible]

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A joint-Provincial and Federal advance of relief amounting to $142.25 was made to assist Mr. Polen in 1919, on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$142.25	$49.03	$191.28

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Dear Sir

I am informed by Charles Renolds of Irvine Alberta that the money due me for my share of crop on S 1/2-25-12-3 w 4th has been garnisheed by Wood & Son. of Irvine. Mr Renolds has worked the farm on shares has threshed & sold the grain and has got the money in the Bank in his name, waiting further instructions. What I would like is to have this amount held for seed another year. If this cannot be done. It should go to apply on Government Relief seed due the Government by me. as I understand that claim comes first. So govern yourself accordingly. I did not know he had threshed. and he had no authority to sell my share without order or I would have tried to hold my share as exemption for seed. So what ever way you decide notify the Union Bank at Irvine. also Mr Charles Renolds. at once.

Dear Sir:

Mr. George E. Lore

I am of the opinion that we should secure as much as possible out of the available proceeds of last year's crop, not only because we are entitled to it, but apparently it is Mr. Wilkinson's wish that the money be used to help wipe out his indebtedness to the Department.

Messrs. Laidlaw, Blanchard & Co. must have been aware of the Government's prior claim on the crop and for that reason I do not think are entitled to costs for issuing Garnishee summons.

Mr. Hume,

S.E. -4.-18-3-W.4th Mer.,
Pre-emption - T. A. Allinson,
Entry made 2nd December, 1910.

Receipt was issued for entry was granted to Mr. Allinson in August, 1911, and the duties appear to be satisfactorily completed with the exception of payments. A Certificate of Recommendation was issued on the 14th October, 1914.

Patent will issue for Mr. Allinson's quarter sec. 4, Tp. 18, R. 3, W. 4th Mer., 1914, upon receipt of the Abstract of Title forwarded by Mr. Cattle in March 1915, it would appear that this land was sold for taxes and passed to the Province of Alberta in 1921.

Mr. Cattle appears to have been unable to find the whereabouts of Allinson and there is a letter from Cattle dated 30th March 1916 stating that Allinson has left the district.

I think, therefore, interest to cultivation proceedings might reasonably be instituted against this entry. Possibly, however, as there might be considerable grounds for claim that Homestead Inspector's report be forwarded to this land agent in Medicine Hat.

Grounds for cancellation as given by applicant for inspection

Medicine Hat alberta Sept 10th 24

Dominion Land Agent
Lethbridge Alberta

Dear Sir

You ask in your letter to me to show cause why said entry should not be cancelled. In the first place I can not show more than you know at present. I made entry in good faith & worked and spent all my money trying to make good and was making good untill the dry seasons commenced. I could not make it rain, but stayed on the place untill Spring of 1920, and not wishing to be a burden to the Government any longer. I rented the place on shares and went to work so as to be self supporting. all that was grown on the place was turned to the Government. and asked to have my taxes paid out of the returns. so to keep the place from being forfited for non payment of taxes But instead of doing that the Government took all and left taxes unpaid, and forfeiture of Title followed. How does the Government expect a man to pay taxes when the Government was feeding me. The Title for my Homestead is in the Crown and has been since 1920. Your Office has never acknowledged receipt of money paid by return from place in 1920 and 1921. I am out all I put in the place both in money & work and improvements. But the Government says the place is worth $2280. per 1/4 sec. It must be worth it or the Government would not say so at least that is what they had it assessed for, so it must be worth it. and now you ask me to show cause. which must be plain to you, I could not make it rain. This is the only cause I can show. The Homestead is gone and the Pre-Emption in a going way. So I will have to let it go as I am powerless to help myself. and loose all. But it looks as though I had some interest there yet after all the work & money I put in the place. I am 62 years old and am working to support myself & wife and my bread & butter does not come easy. so cancell it if nessicary as I am powerless to help myself. & protect it.

Yours Truly

I beg to acknowledge the receipt of your communication of the 10th. ultimo with reference to the cancellation proceedings which are outstanding against your pre-emption entry for the above described quarter-section.

While it is not the intention of the Department to unduly press settlers for the payment of the purchase price of their purchased homestead and pre-emption entries where it is shown that they are endeavouring to obtain the necessary money to pay off this indebtedness to the Department, you will realize that owing to the fact that you have left this land and same is no longer being placed in crop you cannot be recognized as having a very satisfactory claim for a further extension.

Under the circumstances the cancellation proceedings outstanding will be held over for a further period of thirty days from this date, and unless you furnish the Agent of Dominion Lands at Lethbridge with a definite statement setting forth that it is your intention to complete the payment of the purchase price the question of cancelling your entry will require to be considered.

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: -

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been applied for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act" it is provided as follows:

"Notwithstanding anything contained in this Act, no person shall be granted entry for any quarter section in that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 n.e. the Dominion Lands System of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the patent of which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Sir,

Re - Wm. J. Wilkinson,
3'-23-12-3-W.4th-Mer.

It will be noted from the annual statement that there is outstanding against this land indebtedness amounting to $619.59 with interest to the 31st of March last. From the evidence on file the [illegible]-was forfeited for non-payment of taxes, and title vested in the Crown in the right of the Province - and on the 12th of January last, Mr. Wilkinson executed a declaration of abandonment in connection with the [illegible]. giving his address then as Irvine, Alta.

In view of the proportions of this account I would, therefore, request that an energetic effort be made to have Mr. Wilkinson liquidate the outstanding amount. It should also be ascertained if he is cultivating any land in that vicinity, failing collection, and also as to any crop he might be growing in the district, which information should also be transmitted to Mr. Cuttle for his special attention.

With reference to your letter of the 24th September last, I would advise you that an effort has been made to obtain some payment from W. J. Mr. Wilkinson is stated to be an old man and is living in Medicine Hat in poor circumstances financially. The Department will therefore be unable to make any collection of the outstanding Seed Grain indebtedness.

I am to acknowledge your letter of the 22nd April last, and in reply to say the quarter-section above mentioned was posted on the 9th April last subject to the regulations governing Dominion Lands in Area "A", in which connection I would refer you to page 3 of the Handbook enclosed herewith.

For further information as to the present standing of the land you should communicate with the Agent of Dominion Lands at Lethbridge.

With regard to your desire to lease the land, I may say that according to information on file an area of seventy-five acres of the quarter-section is suitable for cultivation and under the circumstances it is unlikely that the land would be made available for leasing under the grazing regulations. However, if the quarter-section is available you are at liberty to make an application to lease and the matter will be given the usual consideration subject to a report by a Homestead Inspector.

S.E.¼. 25-12-3-W. 4th

This was the licence's homestead which was patented in his name on the 5th March 1914 with the 1912-13 Seed Grain attached. An Abstract of Title on file for the S.E.¼. 25-12-3-W. 4th, dated the 24th March 1922, shows that this land was taken over by the Municipality for arrears of taxes. The Inspector's General Remarks are as follows:-

Sir,

With reference to a declaration in connection with the estate of the late Riley J. Wilkinson submitted by the Agent of Dominion Lands, Lethbridge, re certain liens given by W. A. Wilkinson, the administrator of said estate, which are claimed to be wrongfully clouding the title of the above described land, I would advise you that before any action can be taken, it will be necessary for you to obtain a declaration from the legatee, as it is presumed that William A. Wilkinson's position was merely that of the administrator, and held no equitable interest in the land.

Re: R.J. Richardson.
N.½ 9-1-17 W.4th
E.½ 13-1-17 W.4th

The indebtedness in this case received the investigation of the Seed Grain Adjustment Board of Alberta who recommend that the liense be released from his personal covenant on payment of $71.00; the N.½ 9 to be unconditionally released; the E.½ 13 to be released on proof of title vesting in the first mortgagee.

The Board therefore recommend that upon the first Mortgagee submitting satisfactory evidence showing that he is the registered owner of the E.½ 13, under foreclosure proceedings that all liens charged against the said land be discharged and the total amount payable thereon be written off as uncollectable.

Order-in-Council P.C. #178-1916 dated the 6th August, 1930, passed authorizing the acceptance of the above.

Re: Account of R. J. Richardson
S.W. 1/4 12-1-17-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation, we now in a position to report as follows:-

Joint-provincial and federal advances of relief amounting to $713.40 were made to R. J. Richardson in 1919 and 1920 on the security of the above-mentioned land. A payment of $71.00 was collected by the province in 1930 and applied to the principal. The present standing of this account is:-

Principal	Interest	Total
$642.40	$1,385.38	$2,027.78

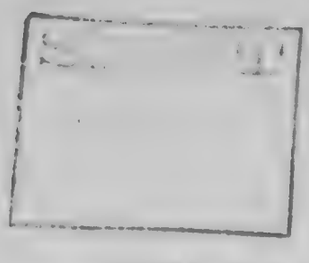

The provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the joint federal-provincial indebtedness.

Therefore, it is recommended that the joint-provincial and federal indebtedness listed above be cancelled without any payment.

F. M. Stinson.

This is the second homestead of Frederick Francis Haffner, entered for on the 4th March, 1930. The indebtedness of D. B. Ulch, charged against this land, was written off unconditionally on the application of Mr. Haffner for an adjustment. The land is described as sandy loam, most of it fit for cultivation; road running through southern end for full distance. ½ mile, on account of hill and three coulees on the regular road allowance running between Townships one and two. No improvements at the date of entry. On F. F. Haffner securing entry for this quarter, the liens given on the security of the W.½ 2-2-14 W.4th and S. .] 36-1-14 W.4th automatically became a charge.

S.W.¼ 36-1-14 W.4th Mer.

This quarter was patented on the 11th March, 1914, to George John Haffner, and there is no record on file of the interest of Frederick F. Haffner other than that in 1920 he gave certain liens against this quarter, jointly with the W.½ 2-2-14 W.4th, also in 1921 and 1922.

Under date of the 7th instant the Secretary of the Seed Grain Adjustment Board requested a statement. Ref. D H-.

In order that it may be possible to give clear title to the purchaser when the purchase price has been paid in full it will be necessary to make some disposition of the Seed and Feed liens and the Taxing Authorities have requested a compromise with this end in view.

It is proposed to divide the Dominion claim into three equal parts as the lands held as security are approximately equal value and the claims therefore against this quarter section will be as follows:

Dominion Liens	$ 236.14
Joint Relief	2125.20
Taxes	349.66
	$2711.00

I would recommend that the sale price five hundred dollars ($500.00) after deducting costs in a sum of five dollars ($5.00) be distributed pro-rata between these claims which will result in distribution as follows:

Costs	$ 5.00
Dominion Liens	43.54
Taxes	64.40
Joint Relief	387.06
	$500.00

I would further recommend that upon application of these sums to the respective accounts all liens taken as security and filed against the S. W. 36-1-14-4 be released; that the balance of the Dominion account be retained as a charge against the N. W. 2 and S. E. 1-2-14-4, but that as there is no further security for the Joint Relief account and the debtor is deceased the balance of the said account be written off.

Dear Sir:

Re: S. W. 36-1-14-West 4th Meridian.
Frederick F. Haffner.

This party obtained advances from the Dominion Government and for Joint Relief and there is outstanding in this respect as at the 31st of October, 1943, the following sums:

Dominion Liens	$ 708.41
Joint Relief	2125.20
	$2833.61

As security for the Dominion advances liens are filed on title to the above land and also on title to the S. E. 1 and N. W. 2-2-14-4.

The Joint Relief Advances are secured by liens on title to the above land and at one time the N. W. 2-2-14-4 also represented security but this latter parcel is now shown to stand in the name of the Minister of Municipal Affairs with the Dominion liens only registered thereon.

In addition to these charges there are taxes outstanding against the S. W. 36-1-14-4 in a sum of three hundred and forty-nine dollars and sixty-six cents ($349.66).

The particular quarter section has been taken over by the taxing authorities under Tax Recovery Proceedings and an offer has been received to purchase the property for five hundred dollars ($500.00) which is reported to represent the fair sale value and the Minister of Municipal Affairs has approved of the sale at this figure.

Title to the above land is subject to three liens given by Frederick F. Haffner to the Crown in 1913 and 1916 in the amounts of $43.70, $203.00 and $296.70. These liens also represent a charge against the N.W. 2-2-14-4 and at one time encumbered the title to the N.W. 36-1-14-4 but were released from the title to the last mentioned parcel of land under Board Order No. 6211.

Re: Account of Fred F. Huffner
[illegible].F.A. 30-1-14-[illegible].6th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned part is referred to you, constituted as a board to deal with such cases. Having completed an investigation into the matter we now in a position to report as follows:-

Joint-provincial and federal advances of relief amounting to $[illegible].00 were made to Fred F. Huffner in 1919, 1920, 1921 and 1922 of the security of the above-mentioned land. Payments of $31.96, $25.00, $165.97 and $34.13 were collected by the province in 1943, 1944, 1945 and 1946, respectively, and applied to the principal. No further payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$418.49	$1,933.19	$2,351.68

The provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1944, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1946, and to cancel the remainder of the federal share of outstanding indebtedness for Feed Grain, Fodder for Animals and other Relief. The province of Alberta was agreed to cancel their share of the joint federal-provincial indebtedness.

Therefore, it is recommended that the joint- provincial and federal indebtedness listed above be cancelled without any payment.

Dear Sir

I received your letter a few days ago. File No 2065790. Regarding seed grain furnished by the Government. I understood that the Government would issue Patent and carry this indebtedness as a first Mortgage against the Homestead. I dont wish you to understand that I had this information from a Government official but from other parties. Now if this cannot be done please notify me. I dont know how or where I could raise the amount at present as we have had little returns from the Homestead as yet. and money I had when I came here is exhausted. I was of the opinion this could be done and I would be in a position to get a loan on my Homestead to help me along.

Yours Respectfully

It will be noted in connection with Mr. Reynolds share that payment was made by him on 10th November - as reported in the Agents letter of 12th November.

It is also of interest to note that a provincial fodder lien of $100.00 was given by Wm. Wilkinson against his patented land, the S. E. ¼, and also provincial relief liens - on the security of the half section.

In a further letter dated 28th January last, Messrs. Laidlaw, Blanchard & Company asked that they be advised as to our position in the matter so that the moneys in court can be satisfactorily disposed of.

It will be noted that delay has been occasioned in dealing with this matter owing to certain misplacement of the papers.

The question in this case is, therefore, one as to whether the Department wish to claim any part of the $60.00 furnished.

Re - Wm. J. Wilkinson
D. [illegible]-12-3 & 4

In the year 1915 Mr. William J. Wilkinson incurred Seed Grain, Fodder and Relief liens amounting to $446.49 on the security of the land above described against which payments have been made amounting to $221.30, leaving a balance outstanding as shown by statement immediately hereunder.

In this connection I might say that Patent for the S. E. ¼ bearing date of 31st March, 1914, was issued in the name of William Wilkinson, and in addition to above mentioned, Seed Grain liens of $61.00 and $66.00 were attached against which no repayment has been made.

Certificate of Recommendation was issued in connection with the S. E. ¼ on 20th October, 1919. This Certificate, I might say, appears to have expired on 20th October, 1919.

Under date of 23rd September last, the Department of Dominion Lands, Lethbridge, forwarded certain communications from Messrs. Laidlaw, Blanchard & Rand, and a copy of a letter addressed to Messrs. Weiss & Son at Irvine, Alberta, also letter from William Wilkinson, all of which have reference to the garnishee-ing of Wilkinson's share of the crop by the said Messrs. Weiss & Son.

It is represented by the said Wilkinson that this land was worked with Charles Reynolds, and that the said Mr. Reynolds threshed and sold Wilkinson's share without orders which he, Wilkinson, signed to have applied to his Seed Grain and Relief indebtedness, and it was also alleged that the said Charles Reynolds deposited his own share in the bank.

Messrs. Laidlaw, Blanchard & Company, Solicitors for Messrs. Weiss & Son, represented that Wilkinson's share amounted to $60.00, and that in view of the small amount available, and also of the fact that the said entitled to preferred costs for issuing garnishee summons they consider that the Department should not press its claim on account of Seed Grain indebtedness.

that this money was attached and in view of the further fact that the Department has the security of a half section of land for the seed grain indebtedness, the Department do not press their claim for this small amount, or at least allow the costs. The Agent Dominion Lands forwards this letter here for consideration.

I note that Mr. Reynolds made a payment of $18.10 out of the proceeds of this year's crop to apply on Mr. Wilkinson's indebtedness, and since the proceeds of the crop were evidently small, it would appear that Mr. Wilkinson is sincere in stating he wishes the seed grain indebtedness liquidated. On the other hand, the amount available is small, and would be still further reduced were the costs of garnisheeing allowed. Kindly advise me what action you wish taken in this matter.

Respectfully submitted,

Controller of Revenue.

Mr. Hume,

S.W.¼-25-12-3-W.4th Mer.,
Pre-emption - W. A. Wilkinson,
Entry made 2nd December, 1910.

Application for patent was executed by Mr. Wilkinson in August, 1918, and the duties appear to be satisfactorily completed with the exception of payments. A Certificate of Recommendation was issued on the 23th October, 1918.

Patent was issued for Mr. Wilkinson's homestead the adjoining S.E.¼ 25 on the 5th March, 1914, and according to the Abstract of Title forwarded by Mr. Cuttle in March 1922, it would appear that this land had been sold for taxes and passed ~~through~~ to the Province of Alberta in 1921.

Nothing appears to have been paid upon this land and there is a Seed Grain charge which amounts to over $500 noted against this land and the patented homestead.

I would, therefore, suggest that cancellation proceedings might appropriately be instituted against this entry. Possibly, however, - as there might be compassionating grounds you might consider that a Homestead Inspector's report in respect to this land should be first called for.

Area "A"

I am to acknowledge your letter of the 23rd April last, and in reply to say the quarter-section above mentioned was posted on the 9th April last subject to the regulations governing Dominion lands in Area "A", in which connection I would refer you to page 5 of the Handbook enclosed herewith.

For further information as to the present standing of the land you should communicate with the Agent of Dominion Lands at Lethbridge.

With regard to your desire to lease the land. I may say that according to information on file an area of seventy-five acres of the quarter-section is suitable for cultivation and under the circumstances it is unlikely that the land would be made available for leasing under the grazing regulations. However, if the quarter-section is available you are at liberty to make an application to lease and the matter will be given the usual consideration subject to a report by a Homestead Inspector.

Sir:

With reference to your communication dated the 11th instant enclosing a Declaration executed by Filley Wilkinson in connection with certain Liens registered against title to the land above described, I would particularly direct your attention to Clause No. 5 of the said Declaration, reading as follows:-

Yours truly,

WH/McH.

Seed Grain	$1,192.82	
Jt. Relief	496.28	$1,689.10

The Taxing Authorities are desirous of taking advantage of the offer now received, and have requested an adjustment of these liens in order to be in position to do so, pointing out that in addition to their charge for taxes outstanding, amounting to $507.10, they have also a claim for costs incurred in taking title, costs of sale, etc., in a sum of $12.21.

Compared with other sales in this district, the purchase price would seem to be a fair one, and, as it is recommended by the Inspector of the Department, I would recommend that the Department of Municipal Affairs be authorized to proceed with this sale on the understanding that the purchase price, viz: $560.00, after deducting $12.21 for costs, be distributed pro rata between the undermentioned Crown claims against the land:

Taxes	$ 507.10
Dominion liens	678.04
Provincial Seed Grain	1,192.82
Joint Relief	496.28

which will result in a distribution of the sale price as follows:

Costs	12.21	
Taxes	96.65	
Dominion liens	129.23	
Provincial Seed Grain	227.33	
Joint Relief	94.58	$560.00

I would further recommend that, after deducting costs, the first proceeds of sale be applied to the Dominion liens, and that, if and when the amounts apportioned to the seed grain and joint relief charges have been duly paid over to the credit of these accounts, all liens be removed from the title.

The Dominion liens and the Joint Relief liens are also registered against the SW 25-12-3-4, which was the Lienee's pre-emption cancelled on April 9th, 1926, and, since this land is of low value being situated in the drought area, and the retention of any of these liens would militate against re-entry thereon, I would recommend that no charg in respect of these advances be held against this property.

Wilkinson is reported to be an aged man, with no assets, and in poor circumstances, ekeing out a bare livelihood by keeping a f dairy cows, it would seem, therefore, that no good purpose can be serv by the retention of the balance of this account on the books of either the Dominion or Provincial Governments, and I would recommend that af the above sums have been applied to these various accounts, the bala

Title to the above parcel now stands in the name of the Crown, in the right of the Province of Alberta, and the Taxing Authorities have had an offer to purchase for the sum of $560.00, on terms, which price is considered by the Inspector to represent its fair sale value, in view of the fact that it is situated in the drought district and the nature of the land is rolling and stony.

re: Account of William Wilkinson
[illegible]

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief commodity to [illegible] were made to William Wilkinson in 1934 to the amount, as at the above-mentioned date, of $217.44 and $770.94 were collected by the Province in 1941 and 1942, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$210.36	$778.38	$988.74

The Provincial authorities have advised us that their liens are not registered against the title to this land.

By a recent directive of the 17th of [illegible], 1942, approval was granted to discontinue [illegible] for collection settlements after the 15th of April, 1943, and to extend the remainder of the general share of outstanding indebtedness for seed grain, fodder and relief and other debts. The Province of Alberta has waived its claim to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and General indebtedness listed above be cancelled without any payment.

Account of Ed. T. Hovey.
Your files 2370339 & 2076967.

I have to thank you for your letter of the 18th ultimo and statement of claim in this instance.

According to a Search obtained from the Land Titles Office the liens for $170.00, $200.25 and $77.00 are not charged on title to the above described property. I believe that these particular advances were given on the specific security of the N. E. 31-1-17-4 or so is the contention of the taxing authorities who have sold the land for a sum considerably less than the amount of taxes outstanding.

It is noted from the statement that the lien for $43.35 has been fully paid up and I would esteem it a favour if the release of this lien can be sent to the Land Titles Office for registration and so permit the taxing authorities to be in a position to issue a clear title to the purchaser.

Dear Sir:

Re Account of Edward Thompson Hovey,
N.W. 32-1-17-W4.

During the years 1915, 1919 and 1920 while homesteading the above mentioned land, Mr. Edward Thompson Hovey received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,285.37 of which $370.23 is principal and $915.14 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate the amount of the indebtedness in cases where the value of the land or other relief accounts and in cases where the value of the land or other circumstances is large compared to the value of the debt. circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

In a letter dated Febru ry 23, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Edw rd Thompson Hovey by the Federal Government in the years 1915, 1919 and 1920. The amount outstanding is $1,285.39 of which $370.25 is principal and $915.14 is interest.

Our records indicate that no answer has been received from you to date This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fod er and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915, 1919 and 1920, seed grain amounting to $413.60 was advanced to Edward Thompson Hovey on the security of the above-mentioned land. Payments of $40.90 and $50.65 were received in 1924 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$370.25	$1,031.77	$1,402.02

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Sir,

I beg to inform you that the Agent of Dominion Lands at Lethbridge has advised me that you have failed to comply with his letter of the 16th ultimo as to what your intentions were towards complying with the terms of the Departmental letter of the 17th October last, wherein you were informed that if you were still of the opinion that you had entered upon your homestead and pre-emption you might appear with your two witnesses before the above ... official and make application for patent in the proper form.

... this neglect is an oversight on your part, ... in view of the fact that cancellation proceedings are outstanding, I am to state that you will be allowed a period of thirty days from this date within which to appear before the Agent aforesaid and make application for Letters Patent for your pre-emption quarter-section, as it is presumed that you have increased your breaking to eighty acres.
